Upcoming Field Trip

Biology Day at Busch Gardens is scheduled for Friday, March 7th. All permission slips and payments are due on Friday 2/14. We must give our headcount and payment to Busch Gardens at that time. In order for students to be eligible to attend they must have the following:

1. 3 or less unexcused tardies.
2. 3 or less unexcused absences.
3. 3 or fewer detentions or other disciplinary actions.
4. Turn in a point card each week (only two excused missing point cards allowed)
5. Must have a 2.0 GPA to attend.

Any students NOT attending the trip will still have school on Friday, March 7th!

Spring Clubs

Our afternoon clubs will get back under way on February 3rd. Clubs will run from 2:30pm until 4:00pm. Clubs end promptly at 4:00 and we do require students to be picked up on time at 4pm.

Clubs will operate a bit differently this semester. Due to clubs being overcrowded and costly to offer we have implemented some changes. First, clubs will require you to sign up in advance. There are only 12 spaces in each club. A new club sign-up will be emailed each week for you to sign up for the upcoming week. Second, most of our clubs are \$5 to attend except Homework Club, Drama, and Student council. Student council will rotate between movie review club and student council each week. Even though there is not a charge, those clubs still require a sign-up.

Popcorn Fundraiser with Double Good

We will kick off an online fundraiser for families to help their friends, family, and colleagues raise money for your child's field trips at TAC. The funds raised for this fundraiser will be used at your discretion towards any field trips that your child attends at TAC. The fundraiser is brief and will begin on Friday, 2/21 and ends on Tuesday, 2/25. With this short window it is important to spread the word quickly. Each student will have an online portal for you to set up and share with those that may want to purchase. Please see the directions in the attached to this email.

Progress Reports

Make-up work lists for Weeks 1-4 of Q3 will be given to your child this Monday in first period. Students will have until Friday, February 7th to get their make-up work. Progress reports will then be emailed to families through Jupiter Grades on Wednesday, February 12th. Make-up work will be allowed further for weeks 5-9 but our goal is to have all make-up work for weeks 1-4 in by 2/7!

This is a great time to check your child's grades and assignments to help encourage them to get caught up. This is especially crucial for our Seniors who must pass every class for their graduation requirements!
