Monday, 9/2  
Labor Day

### Clubs Begin

Monday, 9/9

### Bingo Night

November 11th  
5-8pm

## Welcome back students and families!

From all of us at TAC, we are excited to welcome our students back to school. We are looking forward to all the amazing growth we will make this school year. We have great field trips planned, and have set our students up for success in the academic, social, and emotional realms of education. Let's all do our best to have a wonderful school year by encouraging and supporting one another along the way.

## Student and Parent Handbook!

Please take some time to read over the student and parent handbook for the school year. There is a lot of new information not only for new families but also our alumni families. There are procedures for just about everything you can think of from reporting absences, make-up work, dress code, detentions, etc.

## Please refer to our website for information!

Please save our family website to your browser. All the information you need is at your fingertips at: [www.achievementcenterfamilypage.com](http://www.achievementcenterfamilypage.com). Please use your resources from the website or your parent handbook with any questions you are unsure of. For those on Facebook, we do have a private Facebook page for the school. You'll go to groups, search The Achievement Center Family Page, then request to join. This page is a great way to stay on top of everything happening on our campus.

## Start the school year strong!

I encourage all our students to start on a good foot this school year by **arriving to school on time**. Students should be in their seat and ready to begin the day by 8:20 am. That means they should be dropped off at the latest by 8:15 am. Please be mindful of our **dress code**. Please do not drop off your child with inappropriate logos on their clothing, blankets, spaghetti strap tanks, or mid-drift tops. Students will be sent home if they can not cover up their inappropriate attire. Appropriate dress for school should take place from the time students leave their car until the time they enter their car from school. Phones are always a challenge. **Please discuss with your child our phone policy**. Students will keep their phones in the wall pockets of each classroom. Students will be able to use their phones at the teachers discretion.

## Bingo Night Tickets are on sale!

Join us for our first fundraiser of the school year on Monday, November 11th from 5-8pm for some fun! A local venue, 88 Live Piano Bar, has donated their venue to our event. Tickets are now on sale for \$40 which includes 10 games of bingo, dinner and non-alcoholic beverages. Fundraisers such as these allow us to purchase much needed items for our students. Any and all money raised goes directly to the benefit of our TAC students. Tickets may be purchased using the QR code.

## Wildcats take on NYC - Traveling field trip

Our traveling field trip this year is to New York City! What an amazing time your child may have while visiting the hustle and bustle of NYC. While on the trip there are countless places we will visit and enjoy, including the Statue of Liberty, 9/11 Memorial, a Broadway show, and much more! We will be flying out of SRQ airport directly into NYC. Registration information is attached! We hope you can join us. Parents or a family members are also able to join in on the fun!
