CALL TO ACTION

April 4, 2024

RE: Humanitarian Peacekeeping efforts for Haiti:

Greetings:

I am writing to you today on behalf of the call to action in solidarity in administrating efforts for the people of the Republic of Haiti. When receiving the letter asking me to come home to Haiti to lead peace discussions, I knew we could not turn a blind eye to their suffering.

With political instability and social unrest reaching alarming levels in Haiti, the international community recognizes the pressing need for concerted action to restore peace and stability without international military interference. the coalition for Haiti aims to embark on a peace mission to Haiti to provide vital humanitarian assistance and facilitate diplomatic negotiations. The peace mission, scheduled to commence in the coming weeks, underscores the unwavering commitment of the global community to stand in solidarity with the people of Haiti during their time of need at the request of the people of Haiti. Through collaborative efforts and unified action, the coalition seeks to address the root causes of the crisis while empowering Haitians to take ownership of the solutions and shape a Haiti that reflects their aspirations and values. Since 1804, Haiti has become a sovereign nation on paper, but was never able to function as one.

It is imperative that we come together as international leaders to offer our support and assistance in restoring peace and stability to the country. The peace mission will involve a multifaceted approach, including the delivery of humanitarian aid, engagement with local stakeholders, and diplomatic dialogue aimed at fostering reconciliation and understanding. By working closely with Haitian authorities and community leaders, the coalition hopes to pave the way for a peaceful and prosperous future for Haiti.

As preparations for the peace mission continue, the coalition has set up a GoFundMe account to accept donations at [Fundraiser by Bishop Lubin Sr. : The Peace Mission to Haiti 2024 \(gofundme.com\)](https://www.gofundme.com/f/fundraiser-by-bishop-lubin-sr-the-peace-mission-to-haiti-2024) The donations will go towards essential resources and logistical support, including humanitarian aid supplies, transportation costs, communication equipment, and on-the-ground coordination efforts. Additionally, hygiene, medical supplies, clothing, and non-perishable foods can be donated and sent to: 27 Borno Street, Port- Au Prince HT
