

BECOME A MONITEAU COUNTY LEADER

Leadership Moniteau County (LMC) is a program created to motivate our county's citizens to become involved in community affairs including public service and participation in civic and not-for-profit organizations. The program enables participants to recognize where they can make a positive impact within our county and its communities. The California Lions Club is the sponsoring organization, but other groups and individuals give their time and talent to provide guidance to the program and its class members.

2024 - 2025

COMMITMENT

The program consists of six class sessions held over a 12 month period and includes sessions in California, Tipton and Jamestown with on-site visits to local businesses and farms. During the sessions, participants hear from speakers on leadership and volunteerism; the workings of local and state governments (this session takes place in Jefferson City); local education covering pre-kindergarten through high school; law enforcement, health and wellness, and community services; and industry and agriculture.

CLASS SESSIONS:

- Launch Party - September 2024
- Leadership 101 - September 2024
- State Government - November 2024
- Education & Community Needs Assessment - January 2025
- Law Enforcement County Services - March 2025
- Agriculture and Business - May 2025
