

**HEALTH
MANAGEMENT, LLC.**

SPECIALISTS IN PREVENTIVE CARE

**AN OUNCE
OF PREVENTION
IS WORTH A
POUND OF CURE.**

BENJAMIN FRANKLIN

**STAY CONNECTED WITH
YOUR PROVIDER AND BE
IN COMPLETE CONTROL
OF YOUR HEALTH**

Coordinating care between you and your provider, according to Medicare's recommended preventive health guidelines, has never been simpler thanks to Zia Health Management. Discover for yourself the benefits that staying more closely connected with your provider could mean for you.

TAKE CONTROL OF YOUR CARE

More personal contact with your care provider

Less hassle managing your treatment plan

Remote care team consultations on demand

Helps avoid preventable health complications

YOUR DEDICATED HEALTH COACH

You'll feel confident with continual support at home

Significantly improves coordination around your care

Provides a personal touch to your care

Reminds you of important health routines

GIVE YOUR DOCTOR WHAT THEY NEED

Helps your doctor make more precise decisions

Gives your doctor important feedback to evaluate your treatment plan

Your doctor can identify changing health conditions sooner

Your doctor can intervene faster to improve your outcomes
