Sorry for the delayed update, but thanks to Island Falls Fire and the Maine Forest Service we found the generator at Southern Aroostook High School.

Thank you all for checking!

Darren

Folks – We are looking for this generator that we “thought” was in the Island Falls area. I know we have 3 others in Fort Kent, Caribou and Limestone.

If you know the location of this trailer, please let me know ASAP.

It has a county plate on it with the number 500-190.
