

 **UPDATE - YES!**

 **EXPANSION - NO!**

WE ♥ OUR MARINA

We've been looking forward to the Marina update & renewal for a long time!!! **BUT... Have you heard??**

The City plans to EXPAND our Marina!

Did they ask:

- Our opinion?
- How this will undermine efforts to heal OUR Indian River Lagoon?
- What this will do to the starving manatees?
- How this industrial-sized building will fit on this small neighborhood lot?
- For a market study to determine if a larger Dry Storage Building so far from ocean access even makes sense?

Did you know:

- City Council wants to transform our quaint, charming city marina to a commercial enterprise touting it as a "Destination Marina"!
- City Council plans to spend upward of \$30 Million Dollars on the EXPANSION of the Marina— money from many to benefit the few.
