

GlenX Virtual Career Expo Spring 2021 Student Welcome

We so missed seeing you when we had to cancel the Fall 2020 and Spring 2021 GlenX Career Expos. But with your future in mind, we are presenting an online GlenX Virtual Career Expo 2021, which we hope will be meaningful to you.

We rallied all the past participants of the Career Expos. Over 150 valley-wide businesses, organizations, and non-profits have stepped up to let you know they care about you and your future.

With their Business Profiles, you can explore and discover career opportunities in addition to employment, apprenticeships, internships, career shadowing, summer jobs, and volunteering.

We understand this has been a year of unexpected challenges. But the clouds are lifting and brighter days are on the horizon...so roll up your sleeves, and with eyes wide open, start checking out the promising career opportunities waiting for you.
