### ABOUT GLENX CAREER EXPO

The GlenX Career Expo was founded on the belief that every high school student needs more opportunities to learn about possible career choices and the post-secondary education they will need to pursue which can include college, trade/vocational schools, certifications, career-tech training, internships and apprenticeships.

### OUR MISSION

To build a stronger, more vibrant community by connecting students to resources that will stimulate their awareness of opportunities and enable them to fulfill their career aspirations for a successful future.

### OUR GOALS

- Present an opportunity for high school students to explore a variety of career choices
- Businesses share their career opportunities, experiences and passions directly with students
- Expose high school students to career possibilities through internships, apprenticeships, career shadowing and summer jobs

The GlenX Career Expo is brought to you by GlenX in partnership with Aspen Community Foundation
