Creator of the  
Business Block Buster™  
Accountability Program

## THE DIFFERENCE BETWEEN FAILURE AND SUCCESS

Viktoria Szilagyi is an accomplished and highly revered coach for business owners. She is an expert in helping entrepreneurs bust through distractions, overwhelm, and being stuck.

She is on a mission to help business owners just like you, create a profitable and exciting business on your terms with the creation of a proprietary and innovative program called The Business Block Buster™ Accountability Program.

Viktoria's private clientele include passionate entrepreneurs with various business backgrounds who are committed to growing their business and their ability to help others. She is an expert in finding the perfect balance between practical approaches and working with the mindset; between a respectful nudge and a good ol' butt-kicking.
