Art of Peace's Coach in the Cloud Platform Foundation

# Why the Coach?

## Protected, secure, walled environment:

- personal privacy
- confidential

Enhances critical interpersonal **'soft skills,'** while reinforcing safety guidelines, codes of conduct, and operations compliance.

- Supportive
  - Mentoring without judgment, multilingual delivery
- Always on: **24/7**, at user's pace
- SEL Education
  - Adaptive learning through situational awareness

## Virtual coach & assistant in one 'universe'

- Natural language access to proprietary resource materials to complement base coaching IP
- Results in measurable operating efficiencies
- Healthier, happier work environment

## Enterprise tech platform for SMBs

- Smart, ethical AI trained for your organization

## Scales experience gaps

- Coach supports entire organization:
  - Senior staff
