“When there are no words...there are always hugs.”

WHEN YOU CAN'T BE THERE IN PERSON... SEND A BEAR HUG TO SOMEONE YOU LOVE!

Do you know someone who could use a hug? Are they sad from the loss of a beloved family member or cherished pet, a health scare or diagnosis, divorce, financial stress, or issues at work or with their children? For a small donation of only \$40, you can send a petite stuffed Teddy Bear to anyone within the continental United States, and it will help rescue not just once, but twice!

The Teddy Bear will help rescue the recipient from a sad or depressing time in their life. It will also help rescue a homeless animal. No matter what the case, **Bear Hugs to the Rescue** are a win/win.

The donation of \$40 for each Teddy Bear covers the cost of the bear, packaging and shipping within the continental United States. Each Teddy Bear is packaged in a gift bag and includes a to/from gift card and a magnet, all tucked inside a gift box suitable for shipping.

For every three Teddy Bears ordered, one dog will be rescued from a dog pound. The proceeds raised from **Bear Hugs to the Rescue** will allow Partners With Paws to cover the fees when dogs are being rescued from local pounds. The funds will also help with spay & neuter and life-saving surgeries for rescued pets, when needed.
