

# RAINBOW'S END BEADS!

When you lose a beloved pet, you want to keep them with you always. Now you can...with a **Rainbow's End Bead**.

Every time you wear your **Rainbow's End Bead**, people will compliment you on a beautiful piece of jewelry. It can be your little secret as to why it's so special.

And the reason it's so special is that Rainbow's End Beads contain the ashes of your pet(s) so you can wear them every single day, keeping them close to you. When inserted into the glass, the ashes crystalize, making them look like glitter.

Buy them for yourself or for your animal loving friends!

**Rainbow's End Beads** are only available through Partners With Paws of Lorain County. A portion of each **Rainbow's End Bead** purchase is donated to Partners With Paws as they continue helping other area animal groups with their rescue efforts.

**Rainbow's End Beads** are only \$60 and come in a rainbow of colors. The pendant bale is available in gold and silver, and each bead only needs a quarter teaspoon of ashes.
