

NYSTARS Bulletin

February 2019

“Motorcycles and Physics”

Presented by Wade Bartlett, P.E., M.S.

**WHERE
And
WHEN:**

Brighton Fire Department, 3100 East Avenue, Rochester, NY 14610 on Tuesday,
5 March 2019, 8:30 am to 5:00 pm

OR

New York State Police Academy Library, Building 24, State Office Campus,
1220 Washington Ave., Albany, NY on Wednesday, 6 March 2019, 8:30 am to 5:00 pm

SEMINAR COST:

\$60 for Members

\$125 for Non-Members

TOPICS:

- Conservation of Linear Momentum, with a car-motorcycle example
- Motorcycle avoidance and lane change
- Electronic Data Recorders in motorcycles
- “Speed from gear”
- Estimating peak acceleration with limited information
- Extensive Question and Answer: bring questions that “trouble” you

SPEAKER:

Wade Bartlett is an active duty police officer in New Hampshire, an accident reconstructionist, and a mechanical engineer. He teaches courses at IPTM and has authored or co-authored a number of papers concerning accident reconstruction topics. A former motorcycle racer, Wade is one of the pre-eminent experts on motorcycle accident reconstruction in the U.S. He has conducted research, tests, and experiments, which have expanded our profession’s knowledge of motorcycle and motorcyclist behaviors.
