

# Farm Camp

Farm camp offers an in-depth look at day-to-day life on a modern, conventional dairy farm. Choose between two sessions for summer of 2019:

**August 5-9 and August 19-23**

Camp is for kids ages 7-12 and runs from 8:30-2:30 each day.

Daluge Farm Inc. of Janesville, WI, milks 140 cows and farms 170 acres. Erin Grawe and Megan Daluge, who farm with their father, Peter Daluge, are the camp counselors. They'll walk the campers through their daily routine for an authentic farm experience!

## Register by June 1

Space is limited and will be filled on a first-come, first-served basis. If spaces remain after May 25, camp will be opened to kids outside the 7-12 age range.
