

Step 4

Complete this Personal Kitchen Planner.

Complete this page and take it to your salesperson for a cost estimate.

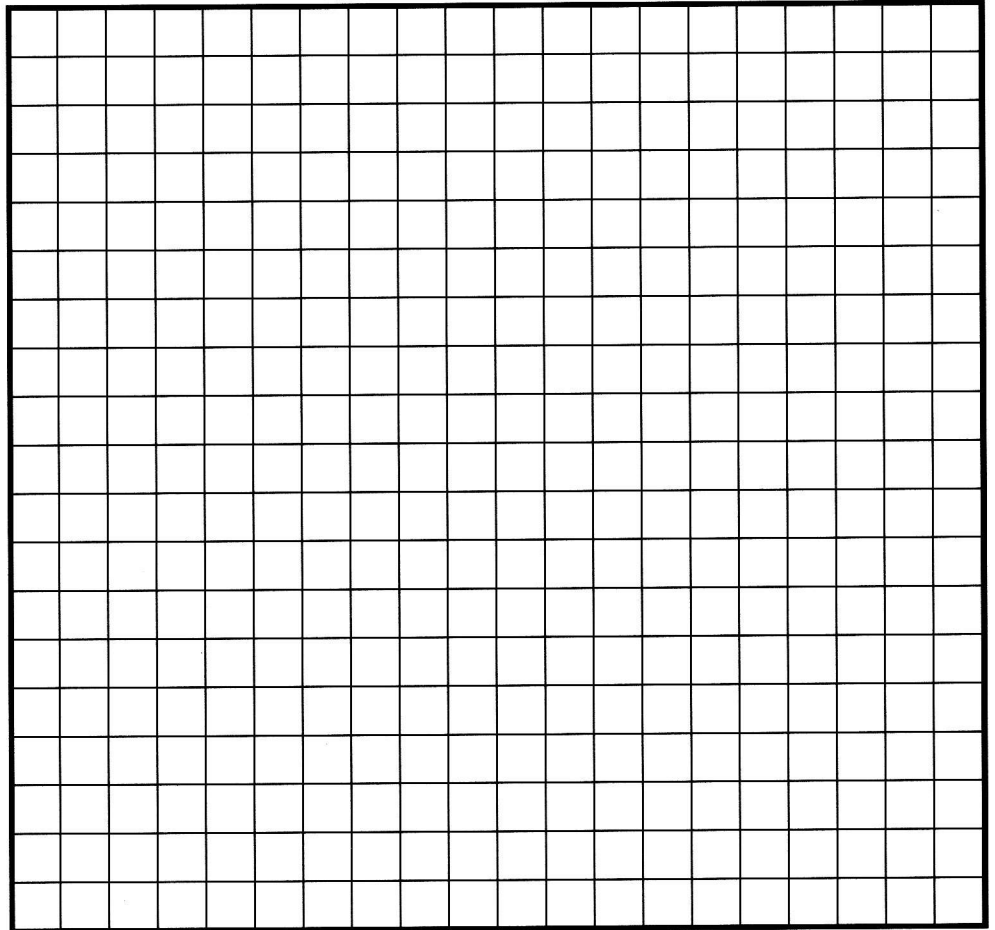

Name _____
 Street _____
 City _____ State _____ Zip _____
 Telephone _____

Store _____
 Store Telephone _____
 Salesperson _____
 Purchase Order Number _____

Draw your kitchen to scale.

Each 1/4" square on this grid equals one foot in your kitchen (see sample floorplan).

- The estimated total is an estimate based on your measurements.
- This price does not include tearing out or removing existing cabinets or countertops.
- This price does not include plumbing or electrical requirements.
- Cooktop and sink templates (for sinks other than CORIAN) must be provided by homeowner.
