

**Help Us Celebrate 40 Years at the Council on Adolescents by becoming a sustaining partner and join our Advocates for Adolescents!**

Join a special group of visionary donors whose support allows us to nurture young lives from seed to full bloom. Each Advocate earns a special flower on a mural in our office space – a beautiful, lasting token of our gratitude. This mural will be a permanent display, honoring those who continue to make a big impact on the youth in Catawba County.
