Welcome to our Tots!

The 2020/2021 session started with many concerns due to the spread of the COVID 19 Virus, which led to the closure of schools in March 2020. It came with its own woes and blessings, however, we are glad we did not lose anyone to the Pandemic.

Our Summer Term was the first virtual term had in the history of the school. It was interesting and extremely innovative. The most exciting part about the term was, parents had an opportunity to watch Nayville Educators in the classroom. We even had a virtual circle time.

In the new session, we have started 'Blended learning', which has made learning fascinating and interesting. Although the term was shorter than the normal, we will make it up in the Spring and Autumn Terms.

A big welcome to all our newbies. We look forward to your feedback on your expectations. This term, we cancelled the Christmas Concert and had a Santas' Party instead. We look forward to having you back to school on the 11th of January 2021.

'Helping Hands' For the Love of Art

This charity event is being celebrated every two years in the school during the Valentine season.

This year, our theme is "Helping Hands". In the first 5 weeks of resumption of the spring term, we put together very innovative art designs and end the programme with an Art Exhibit. Parents are to bid and purchase these Artworks. In 2019, we raised N182,000.00 for charity.

This year all our teams (Team Blue, Team Red, Team Yellow and Team Green) will have individual Team Exhibitions. Costume available for this event. (Robinhood)

At the end of the exhibition, each Team based on their proceeds will host Children who need a 'Helping Hand' (Orphanage).
