## Your TICKET

The magic of the written word must be kept alive and well! From the classics such as *The Hunchback of Notre Dame* to modern gems such as *The BFG*, books have an incredible power that we mustn't lose in this modern era! Join author Gabriel Maestas and friends as we dive into the classics, modern reads from great authors, novelizations, special novellas, and more! There's limited room, and you might want to bring a seat and hang around for a few because the magic of the written word is alive at these events!
