

## **Pizza Chef – Gracey’s Pizza – Chiswell Green, St Albans**

**£13 - £16/hr DoE | Full-time / Part-time available | Start: late August**

### **Join Our Team of Pizza Chefs in St Albans – Help Us Craft Something Special**

We’re a growing independent pizza business bringing bold & characterful pizzas to the people of Hertfordshire & London. Our style is a hybrid where the best parts of the American East Coast’s long, hard baking approach meets the ingredients & fermentation techniques of the Neapolitan tradition.

From our buzzing St Albans pizzeria - where it all started - we serve up thin, crispy pies made with an exceptional level of craft & care. We’re all about flavour, consistency, and creating a workplace where people enjoy coming in every day.

Right now, we’re looking for a pizza chef to join our team. We want someone who can hand-stretch dough, top pizzas, and cook them to perfection in our oven. This is a practical, fast-paced role where no two days feel the same, and you’ll be working closely with a tight-knit team who love what they do.

We’re at an exciting point in our journey — growing quickly and shaping what the next stage of our business looks like. This is your chance to join early, make your mark, and have a say in how we do things.

#### **What you’ll bring:**

- Pizza / Kitchen experience in a busy environment (pizza or dough skills are ideal, but we can train you if you’re keen to learn)
- Confidence in prepping ingredients, working cleanly, and keeping up in service
- Understanding of kitchen hygiene and food safety standards
- The ability to stay calm under pressure and pay attention to detail
- A collaborative approach and positive energy on shift
- Reliability, punctuality, and a willingness to learn and improve
- Pride in presentation and consistency

#### **What We Offer:**

- £13 - £16 per hour, depending on experience. Or an equivalent salary if preferred
- Tips shared fairly across the team
- Company pension
- Christmas bonus
- Paid research trips
- Free pizza & soft drinks on shift
- Staff & F&F discounts
- A fun, supportive team environment where you can be yourself
- Opportunities for progression as we expand

If you’re ready to work with great ingredients, learn from a passionate team, and be part of a business that values both craft and creativity, we’d love to hear from you.
