

## **Dress Code 2018 -2019**

The objective of CCA is to implement a dress code that is in line with the mission and philosophy of CCA. As Christians, we are to honor God in all that we do. (1 Cor. 10:31) We strive to honor Him through personal dress that is neat, modest and appropriate.

We appreciate the support of parents and students in following the guidelines of our dress code. This allows our teachers and administration to spend less time on checking students' dress and more time on educational activities.

We try to be as specific as possible in our dress code description, but with changing styles, there may be decisions that will be implemented during the year. Students and parents will be given full notice of any changes.

Parent(s) will be contacted and asked to bring proper attire if student is in violation of dress code.

**In all cases the administration will have the final authority about the appropriateness of any school wear and in applying the means to encourage compliance. Parents will be called if dress is inappropriate.**
