

Crossroads Christian Academy takes a unique and refreshing approach to education. We are the "Crossroads" where homeschooling and traditional Christian education meet. Our immediate goal is to offer quality, cost effective, college preparatory education. We believe that our model gives parents more time with their children at home to impart their faith and values that they hold precious. It also gives children the opportunity at school to thrive in a loving Christ centered environment to reach their God given potential. Our ultimate goal is to develop competent, passionate, young men and women of character who will make a powerful impact for Christ in their generation and the next.

Overview
