1. Welland Camera Club

The **Welland Camera Club** meets on the second and fourth Wednesday of each month from September to April at the Wesley United Church, 244 First Avenue North, Welland, Ontario. All meetings begin at 7:30 pm with refreshments (tea, coffee, and a snack) served during the meeting.

The **Welland Camera Club** provides members of the community interested in photography an opportunity to come together to share, learn, and develop photographic skills in an environment that is mutually supportive and encourages growth of artistic vision and technical knowledge.

The club's aim is to foster and promote photography through educational presentations, workshops, image evaluation and field trips. The club encourages all skill levels to share photographic knowledge and experience, to provide instruction, and provide assistance to inexperienced photographers.

Members enjoy the following features:

- an excellent opportunity to improve one's photographic technique
- 6 monthly digital image competitions during the year
- 4 monthly print competitions during the year
- live image evaluations during the year
- shows that are entertaining, informative and instructional
- opportunities to discuss photographic equipment, techniques, ideas and problems with experienced photographers
- a variety of annual competitions in different media for different levels of ability and experience
- arranged outings and photo workshops.

Fees per year:

Single	\$60.00
Couple	\$100.00
Student	\$25.00

VISITORS AND PROSPECTIVE NEW MEMBERS ARE ALWAYS WELCOME

If you are interested in finding out about our club and its activities, you are invited to attend a couple of meetings before you decide to join.

3. Club Constitution

[\(Back to Index\)](#)

Adopted by the Executive Committee 2011/12/07 Reviewed and Revised Sep 2018

WELLAND CAMERA CLUB

Item 1. Name: The Club shall be called ‘**The Welland Camera Club**’

Item 2. Objectives: The objectives of the Club are the furtherance of Photographic Art and Technique by exchanging friendly ideas and mutual assistance among members as well as organizing and holding lectures, demonstrations, exhibitions, etc.

Item 3. Membership: Any person interested in or practicing photography can join. Membership is open to the public.

Item 4. Membership Dues: Membership fees shall be such amounts as are from time to time determined at the Annual Executive Meeting. Membership in the club shall cease if fees are not paid. No person shall take part in a Club competition or enter a Club exhibition unless his or her dues are paid up to date.

Item 5. Organization: The Executive of the Club shall consist of President, Vice President, Secretary, Treasurer, Past President and such Assistant Officers/Directors as may from time to time be decided. Duties of each office can be found in the document “Duties of the Executive” which is available to all members of the club. Executive positions are voluntary, prospective executive members can be invited to fill a vacant position. A member of the executive can resign at any given time, advance warning in the form of a letter to the president would be appreciated.

5a. A bank account to be maintained at a local bank and a financial report presented at each board meeting.

5b. All cheques issued must be signed by two board members, (the treasurer and the president or vice-president). The maximum amount that may be spent without board approval is \$25.00

5c. If any club member or executive member proves to be undesirable or detrimental to the Club, he or she can have a private warning from the President or Vice President. If this does not resolve the issue, he or she will be dealt with by the Executive, with the minimum publicity. If necessary, the Treasurer can be instructed not to accept that person’s future dues.

Item 6. Meetings of the Executive shall be held monthly, typically the first Wednesday of the month, (excluding Jan, July and August). The Business shall include: Minutes of the previous executive meeting, correspondence, reports from members of the Executive and any new business or proposals arising during the previous month.

Item 7. A copy of this Constitution shall be made available to any member of the Club who desires one.

7a. No alteration to this constitution shall be made except by a quorum (50% + 1) of the Executive at an Executive meeting.

Item 8. Proposals: All proposals for consideration at Executive Meetings shall be forwarded to the President prior to the monthly Executive meeting.

Item 9. Emergencies: In the event of anything occurring not provided for or not clear in the foregoing items, the Executive shall have power to deal with the same at their discretion.

Item 10. Dissolution: The Club may be dissolved only by the consent of three-fourths of the members present at a Special General Meeting called for that purpose. Such a meeting shall appoint a Liquidator who will determine the disposal of all Club funds and assets. After discharging all debts and liabilities of the Welland Camera Club, the remaining assets are to be given or transferred to a voluntary organization having similar objectives to those of the club.

Notes: The word “**image**” refers to digital images.

Gold, Diamond and Master division members will be referred to as **Senior Members**.

5. Digital Image Competition Entries

[\(Back to Index\)](#)

NOTE: Images containing nudity and/or possibly offensive material.

Any images entered for competitions or critiques that are deemed to be NSFW (not suitable for the workplace) shall be scored and/or critiqued with the results being emailed to the maker.

However, they will not be shown at a general meeting. This is the consensus of the Executive, having duly considered the pros and cons of the situation.

Entries into digital image competitions are to be either emailed to comps@wellandcameraclub.com or submitted on or before the first meeting of the month.

All submitted files must be in the JPEG (.jpg) format with a maximum size of 1920 pixels wide by 1080 pixels high with a file size not to exceed 3mb. Images in a vertical orientation shall not exceed 1080 pixels on the vertical side. All images submitted that exceed these constraints will be re-sized before being sent for judging. This may result in the image being degraded to some degree. For best colour, the digital files should be saved in the highest JPEG quality setting.

The naming of digital image files must use the following format. Member id number Underscore title.jpg

(e.g. B123_Image Title.jpg)

Any images entered in a club competition may be used in other competitions (eg. CAPA or NFRCC) or on the website. If you do not wish your images to be considered for inclusion in these events, please notify the competitions director.

PLEASE NOTE: "That any image entered in Welland Camera Club competitions deemed inappropriate by the Competition Director in consultation with the club President and Vice-President shall be removed from competition"

6. Len Trumble Competition

[\(Back to Index\)](#)

The "**Len Trumble Memorial Award/Trophy**" has been donated to the club by **Al Howey Jewellers of Fonthill in memry of Len Trumble**. The competition consists of **6** digital image competitions during the camera club season. Entries are due by midnight of the day following the first meeting in Sep, October, November, January, February and Mar.

All members must submit their digital images via email to comps@wellandcameraclub.com or pferguson23@gmail.com Images can also be submitted in person at any meeting prior to the deadline.

The main function of the competition is to give the club members an opportunity to have their images scored by advanced photographers who are also experienced judges and to have their favourite images viewed by club members

The member achieving the highest total points for their entries during the year will receive the **Len Trumble Memorial Award Certificate**.

Image competition scores will also be used to determine advancement from one division to the next.

Image Naming Convention

All members are assigned a 3-digit members id number. All images entered in ALL competitions **MUST BE NAMED** in the following manner:

G175_N_Image Title.jpg

The first uppercase letter is to indicate your division: B-bronze, S-Silver, G-Gold, D-diamond, M-Master and your 3-digit number. **Followed by an UNDERSCORE *not a minus sign*** (dash) followed by either an **b** or **C** or **P** to indicate whether the image is **nature**, **creative** or **pictorial**. Please keep the title to a minimum. ***The judges do not see the maker's name, they do see the titles.***

Members can submit up to 4 images each month, one each in the following 3 categories: Nature, Pictorial (non-nature) and Creative and the fourth image in the category of their choice.

Definitions

(1) Nature: In conjunction with CAPA and PSA (Photographic Society of America) we have adopted their definition of what constitutes a nature image.

Images entered in Nature section meeting the Nature Photography Definition above can have landscapes, waterscapes, sunsets, sunrises, geologic formations, weather phenomena, and extant organisms as the primary subject matter. This includes images taken with the subjects in controlled conditions, such as zoos, game farms, botanical gardens, aquariums and any enclosure where the subjects are totally dependent on man for food.

This category also includes all wildlife - those animals living free and unrestrained in a natural or adopted habitat.

INELIGIBLE: The following are *NOT* eligible nature subjects; domestic animals, pets, mounted specimens, cultivated plants (flower gardens), floral arrangements, **or any image in which humans and man-made objects** appear, unless of archaeological significance, or the natural habitat of the species.

DIGITAL TREATMENT: A photographer may perform minor digital enhancements, which improve the presentation of the image that could have been done at the time the image was taken, as well as those that are part of normal darkroom procedure, provided that it does not change the truth of the original nature story. Increasing saturation (similar to polarizing), cropping, dodging, burning, adjusting levels, sharpening, or adjusting digital noise, adjusting contrast, flipping (the equivalent to reversing a slide) are acceptable practices.

Not permitted is digital manipulation such as adding, removing, rearranging, cloning parts of the image or changing the image from how it appeared in nature by changing colour, or texture. Any manipulation or modification to the original image is limited to “minor” retouching of blemishes (dust spots on the sensor) and must not alter the content of the original scene.

Pictorial: Those images that are considered to be “non-nature”. Photo journalism, portraits, people in action, architecture, vehicles, still life studies, objects, domesticated animals, horticulture and/or scenery with man-made objects as the main subject. Black and white images are acceptable as Pictorial provided the use of filters and presets is minimal. The use of software enhancement programs such as Topaz Studio or Nik SilverEfx software, (or any other package) should be kept to a minimum. More extensive use of such software might be better suited for images entered in the Creative category.

PLEASE SEE DIGITAL TREATMENT above.

Creative: Those images that represent a sense of “altered reality” - through the use of in-camera techniques such as multiple or long exposure, infra-red, camera movement, intended blur, etc. Or alternatively, post production techniques using filters, plugins, textures, composites and any other method of choice wherein the subject is no longer true to reality (grunge-look, texture overlays, etc). Please read section regarding plagiarized material.

7. The Helen D'Amico Memorial Competition (Bronze Members Only)

This competition is a sub competition within the **Len Trumble Competition**. The award was created to give **Bronze** members their own competition.

For **Bronze members only**, competition scores will be used to determine the winner of the **Helen D'Amico Award Certificate**, given to the **Bronze** member achieving the highest total points for their entries during the year. The award will be presented at the **Annual Banquet** of the Welland Camera Club.

Image competition scores will also be used to determine advancement from one division to the next. (See the details outlined later in this document.)

Any new members who have been in a recognized camera club will be placed at their current level.

18 to 19 points	Weak
20 to 23 points	AVERAGE
24 to 26 points	ABOVE AVERAGE
27 to 30 points	EXCEPTIONAL

7. For a member to receive a “ribbon” their image must receive the following points;

Bronze Division (Beginners)	20 points or more
Silver Division (Intermediate)	22 points or more
Gold Division (Advanced)	24 points or more
Diamond Division (Expert)	26 points or more
Master Division	27 points or more

8. Images taken at a club workshop or a sponsored (paid) event where someone else has created the setup, lighting, etc. may not be entered into club competitions. Additionally, if an image is manipulated in post-processing by an individual other than the person making the submission, that image may not be entered into club competitions.

9. Judging images is a subjective process and not all entries will receive recognition. If the maker feels the judges erred in not giving a score sufficient to qualify for recognition, the member may re-enter the image in a subsequent monthly competition.

10. An entry that has earned recognition (received a ribbon) in a monthly competition may not be re-entered in subsequent monthly competition. The only other competition it is eligible for is the Joe Mocsan Image of the Year Competition.

11. It is wise for members to develop a system of record-keeping to know what entries have been entered into club competitions and how they scored.

NOTE: In our club competitions, an entry that receives recognition (maker's name being announced) **cannot** be re-entered at a later date. **Images entered in the Len Trumble are not eligible for the Annual Nature Award, the W.C. Healey Award, these competitions require 'new' images.**

8. Rules For Moving Up To The Next Digital Division [\(Back to Index\)](#)

1. **From the Bronze Division to the Silver Division:** A Bronze Division member may move up to the Silver Division upon accumulating twenty scores of 22 points or higher .

2. **From the Silver Division to the Gold Division:** A Silver Division member may move up to the Gold Division upon accumulating twenty scores of 24 points or higher.

3. **From the Gold Division to the Diamond Division:** A Gold Division member may move up to the Diamond Division upon accumulating 20 scores of 26 or higher.

4. **From Diamond to Master:** A Diamond member who accumulates fifteen (15) scores of 27 or higher will be acknowledged as a Master. Master levels will be number from one (1) upward.

5. New members coming from a recognized club will be placed in the appropriate level.

NOTE: Your combined awards from the Print Competition and the Len Trumble Competition are NOT used to accumulate the required awards to move up to the next division.

9. Ray Lariviere Print Salon Competition [\(Back to Index\)](#)

There are four print competitions during the camera club season. Entries are to be submitted at the last meeting in Sep, Oct, Jan and Feb.

Members submit their images to the **Competitions Director – Prints** The main function of the competition is to give the club members an opportunity to have their prints scored by advanced photographers.

Image competition scores will be used to determine the winner of the **Ray Lariviere Print Salon Award Certificate** that is given to the member achieving the highest total points for their entries during the year.

Image competition scores will also be used to determine advancement from one print division to the next. See the details outlined later in this document.

Rules:

1. A member may submit a “total” of 4 prints in each of the four competitions. A print that receives a ribbon cannot be re-entered in a later month, however, it can be entered in the end-of-the-year print competitions.
2. New **Bronze Division** members may hand in their October entries with the November entries. This is the only time that this exception is made since new members may be unfamiliar with the club competitions.
3. The maker of the submission must be a member of good standing of the **Welland Camera Club**.
4. Prints can be entered with a minimum size of 8x10 inches, maximum size of 16x20 inches. Allowances can be made in length and width, provided the maximum length does not exceed 20 inches, and not exceed 320 square inches in size. Print entries may be matted or mounted. Those not matted should be mounted on standard mounting material, e.g. form core, mat board, manilla card stock or sturdy cardboard. No masonite, glass, stretchers or conventional frames are allowed. Images mounted or matted exceeding these dimensions will be disqualified.
5. Attach one entry label per print indicating the print title, maker's name, the category and the division (Bronze, Silver, Gold, Diamond). Labels for all print competitions are included at the end of this document.
6. All print entries will be displayed at the next club meeting after having been judged. The titles, score and maker's name of ribbon-winning prints will be announced. Prints will be displayed returned to the member at the next club meeting after having been judged. This will give the **Competitions Director – Prints** time to record the points awarded to each image.
7. The judge(s) can award a maximum of 30 points each for an entry.
 - 18 - 19 pts - Weak
 - 20 – 23 pts – Average
 - 24 – 26 pts – Above Average
 - 27 – 30 pts - Excellent
8. For a member to receive acknowledgement, their image must receive 24 points or more.
9. Images taken at a club workshop (or external workshop) **may not be entered** into club competitions. Additionally, if an image is manipulated in the darkroom or digitally by an individual other than the person making the submission, that image cannot be entered into club competitions.
10. Judging images is a subjective process and not all entries receive recognition. If the maker feels the judges erred in not giving a score sufficient to qualify for recognition, the member may reenter the image in a subsequent monthly competition.

11. An entry that has earned recognition in a monthly competition may not be reentered in a subsequent monthly competition. It can, however, be used in any other competition. (It is requested that a “near duplicate” of a highly scored image cannot be entered again in a monthly competition.)

12. It is recommended that members to develop a system of record keeping to know what entries have been entered into club competitions and how they scored.

NOTE: In club competitions, a winning entry may NOT be re-entered in the same competition at a later date. A “winning” entry is one for which the paker's name is announced.

NOTE: Up-to-date records will avoid an embarrassing situation. Please refer to specific club competitions in this booklet.

NOTE: Any image entered in any digital image competition can be printed and entered in the Ray Lariviere Print Salon and the end of year print competitions.

NOTE: Any print entered in the Ray Lariviere Salon can be entered in the end-of-the-year print competitions.

10. Rules For Moving Up To The Next Print Division [\(Back to Index\)](#)

1. From the Bronze Division to the Silver Division: A Bronze Division member may move up to the Silver Division upon receiving eight - twenty-two (22) point awards in the Print Competition during any club year.

2. From the Silver Division to the Gold Division: A Silver Division member may move up to the Gold Division upon receiving eight - twenty-four (24) point awards in the Print Competition during any club year.

3. From the Gold Division to the Diamond Division: A Gold Division member may move up to the Diamond Division upon receiving eight twenty-six (26) point awards in the Print Competition during any club year.

11. Director's Challenge Competition [\(Back to Index\)](#)

This competition is spread out over the five months during the camera club season. Entries for the first two challenges are due on or before the first meetings in October, the remaining 4 are due by the first meetings in November, January, February, and March.

The main function of the competition is to challenge the club members to produce images on very specific themes. All images will be judged by qualified photographers outside the club. The member achieving the highest total points for their entries during the year will receive the Director's Challenge Award Certificate.

Image competition scores will **NOT** be used to determine advancement from one division to the next.

Rules:

1. The themes for each segment will be announced at the annual banquet for the upcoming year. Each entrant may submit three (3) images depicting the theme for the segment. All images will be judged and scored with the two highest scores being recorded. Any 'extra' images you have created can also be entered to enhance the presentation, however, they will not be judged/scored.

3. All images submitted must have been taken since the announcement of the themes at the Annual Awards Banquet. Please, nor images from your archives. This is a challenge for you to create new, specific imagery.

Images entered in this competition are eligible for the Joe Mocsan Image of the Year, however they **ARE NOT** eligible for any other competition.

Awards:

Director's Challenge Award Certificate will be given for the highest accumulated score.

The topics for the coming season will announced at the May Banquet and posted on the WCC Website

Search the internet for more guidance on these topics or contact the Competitions Director.

5. Four colour prints may be entered.

Awards:

The winning print will receive the Dianne Payton Majumdar Award Certificate and the first place ribbon. Second and third place will receive a corresponding ribbon. Honourable Mention ribbons may be given at the discretion of the judges.

Hand in prints at the first meeting in April to the **Competitions Director – Prints**.

All prints will be displayed at the Annual Banquet. Winners will be announced at the Annual Banquet.

21. Monochrome Print of the Year Competition

[\(Back to Index\)](#)

Rules:

1. Open to all groups - Bronze, Silver, and Senior.

2. Prints can be entered with a minimum size of 8x10 inches mounted, maximum size of 16x20 inches mounted. Panoramic prints must not exceed 20 inches in length. Entries must not exceed 320 square inches. Images mounted or matted exceeding 320 square inches will be disqualified. Print entries may be matted or mounted.

Those not matted should be mounted on standard mounting material, e.g. form core, mat board, manilla card stock or sturdy cardboard. No masonite, glass, stretcher or conventional frames are allowed.

Images mounted or matted exceeding these dimensions will be disqualified.

3. Attach one entry card per print indicating the print title, maker's name, and the division (Bronze, Silver, Gold, Diamond, Master). Entry cards are available as a down-loadable PDF file from the WCC website or from the Competitions Director - Prints at regular meetings.

4. A print may only be entered in one competition. The same image cannot be entered in more than one end-of-the-year print competition regardless of any post-processing techniques.

5. Four monochrome prints may be entered.

Awards:

The winning print will receive the Monochrome Print Award Certificate and the first place ribbon. Second and third place will receive a corresponding ribbon. Honourable Mention ribbons may be given at the discretion of the judges.

Hand in prints at the first meeting in April to the **Competitions Director – Prints**.

All prints will be displayed at the Annual Banquet. Winners will be announced at the Annual Banquet.

22. Judging

[\(Back to Index\)](#)

All images submitted for competitions will be distributed to judges for scoring. To improve scoring consistency all judges (internal or external) would be given a copy of the WCC Judging Guideline to help guide them to give a proper score.

To improve consistency in the scoring of the images presented during competitions, The Welland Camera Club asks that you follow this simple guideline when issuing a score.

We all like some topics more than others, but please do not allow this to be a major decision in selecting a score. Please score each image out of 30 based on the following guideline.

Scoring Guidelines

18-19 – WEAK, BELOW AVERAGE: An image would receive this score because the main subject is out of focus, the exposure is significantly under/over, or the image lacks composition.

20 - 23 – AVERAGE: The image is mostly in focus and generally properly exposed. The image has the elements of good composition but may lack in the handling of the composition elements. The effectiveness of the image is reduced because of mergers, distracting hot areas, improper cropping, off colour, or the colour harmony is off.

24 – 27 – ABOVE AVERAGE: All the main photographic elements exist. The image is properly focused and exposed, has good composition, handles colour well, has no mergers, contains no distracting hot areas and does not have large areas of wasted space.

28 – 30 – EXCEPTIONAL: Images that contain excellent lighting, NO technical flaws, and has visual impact. An image of this calibre should be expected to score well in any competition.

23. Plagiarism

[\(Back to Index\)](#)

Digital photography and the internet have made it very easy to acquire high quality images that individuals could present as their own work. Due to incidents of plagiarism at competitions run by the NFRCC and the George W. Glennie Memorial Nature Competition, these institutions have put in place a plagiarism policy along with many other clubs in the region.

As a result the Executive has drafted up a Plagiarism Policy that will cover the WCC in the unlikely event the situation should arise. This policy is as follows;

Images submitted to WCC competitions must be the sole work of the maker unless otherwise stated as a collaborative work where permitted. **This includes any iamge considered to be a composite: parts of various images layered together. This also applies to the use of overlays and artistic effects not created by the submitting member.**

Images that receive high scores or have been recognized for their excellence may be subject to scrutiny by the Club Executive. Any available technology will be employed to verify the validity of the image submitted including a request from the Executive;

- for a copy of the original file from the camera,
- to produce the camera the image was produced on for examination,
- a copy of the editing file used in the production of the final image,
- and performing a web search for similar images.

Concerns brought forward to the Executive on the validity of any image presented to the WCC for competition will be taken seriously.

It is advised that all members keep safe any digital files that can be used to validate any image they intend to enter in club or affiliate organizations for competition. For composite images like HDR's and panoramas, the source images need to be available for scrutiny.

For digital files scanned from photographic material (slides or negatives), the original film material will be required for validation.

If an image cannot be conclusively demonstrated to be the maker's, it will be disqualified as not having been entered and any adjustments required will be made to the competition to make the proper awards.

Any member found guilty of submitting plagiarized material in part or in whole will be barred from all club competitions for a period of two years. Any subsequent violation will result in a lifetime ban on participating in any club competitions or having their images submitted as representing the club.

All decisions of the Welland Camera Club Executive shall be final.

24. Members Mini Shows

[\(Back to Index\)](#)

At the annual Christmas potluck dinner members are encouraged to create a 5 minute mini show. The subject matter is wide open and these are for entertainment purposes only. Mini shows are to be submitted to the Competitions Director by the last meeting prior to the dinner. They can also be brought to the dinner if time is an issue - but should they not function there will be no time to correct the issue.
