

What Do You See Photo Challenge 2024

A photo challenge for Niagara photographers who are interested in the opportunity to see through the lens of fellow photographers as a source of inspiration.

- This year we have 6 locations spread across Niagara !
- Visit each of the 6 locations below and take photos.
- You can do them all in one day or different days, time etc. Please stay as close to the designated spot or area as possible when taking your shots or it will defeat the purpose. Don't be afraid to get creative with your photos. Remember this is the "what do you see" photo challenge, so make us "see what you see".
- When you have shot all the locations, pick your **one** best photo from each location and process the 6 images to your liking, anything goes.
- Resize your 6 images to maximum 1920 pixels wide x 1080 pixels high in JPG format.
- **Rename each jpg image file starting with the number of the location and then your name. As an example an image from location 3 will be called "3 Joe Smith".**
- Email them to me dropdcreighton@gmail.com to complete your submission.
- Deadline for submissions is **October 9th 2024**.

Here's the best part;

Your images will be assembled into a slideshow with the other participants and shown in the order of locations. That way all of us can draw on the inspiration in seeing what other photographers see with different interpretations of the same locations. It is a great way to expand what you see and photograph, as well as a great excuse to go out and shoot!

The slideshow will premiere at a Welland Camera Club meeting on October 23rd 2024. After that evening it will be uploaded to YouTube for all of us to enjoy. See <http://www.wellandcameraclub.com/> for location & time.

Check out these past challenges:

The 2014 Challenge can be seen here <https://www.youtube.com/watch?v=I5bCzKiL7w&t=296s>

The 2023 Challenge can be seen here <https://www.youtube.com/watch?v=oq6sWQlt788&t=26s>

FAQ's

Is there a cost to participate?

There is no cost. The challenge is free.

Do I have to be a member of a Camera Club?

No, you don't need to be a member of any club. All are welcome to participate. You are also welcome to come see the premiere on 23 October 2019.

What if I don't shoot all the locations ?

Shooting all 6 locations is recommended but if you miss some that's ok too. Submit what you have so you can join the fun

Is this a competition?

It's not a competition, just a creative exercise for us all.

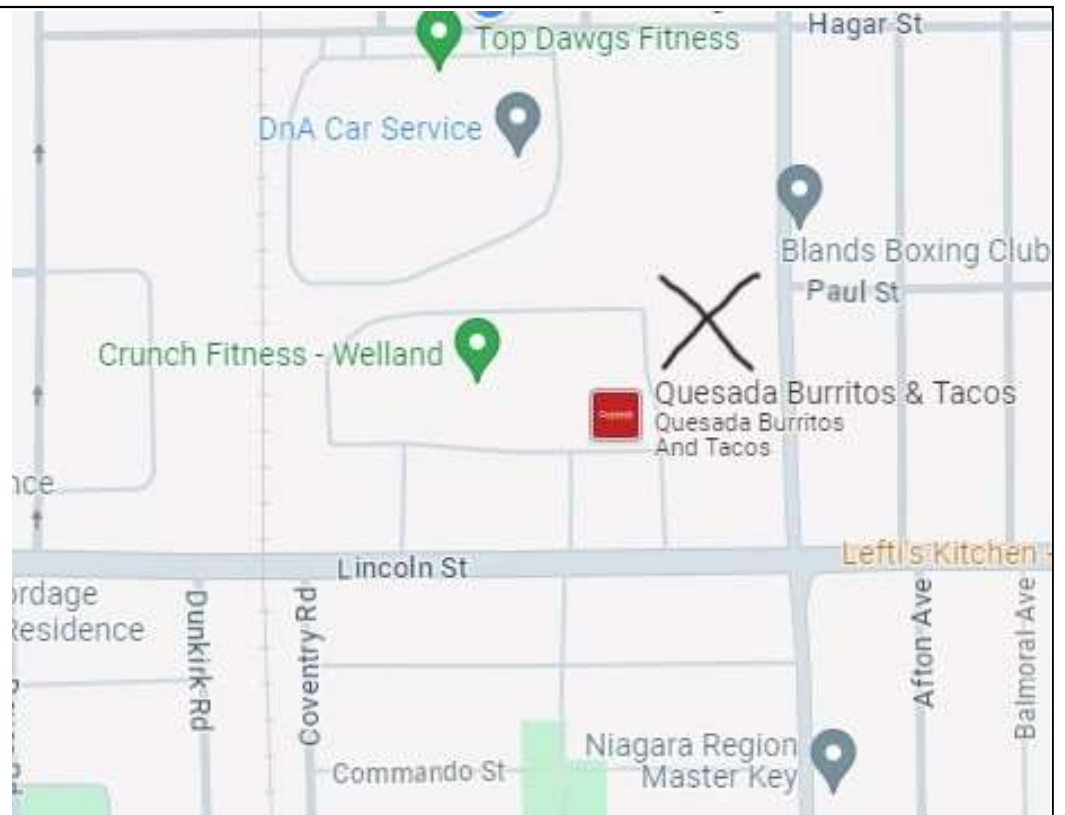

Will my Photos be used for anything else?

Absolutely not, your photos will be in a slideshow posted on YouTube for the purposes of this challenge only.

Have Fun ! Darren Creighton

#1 Parking Lot Behind Lincoln Street Plaza

Lincoln Street in Welland, right behind the beer store in the Lincoln Street plaza. There is a hidden parking lot. Drive between the beer store and the main plaza to access it. Back there you can see the back of the beer store building which is quite interesting and some new construction going on behind.

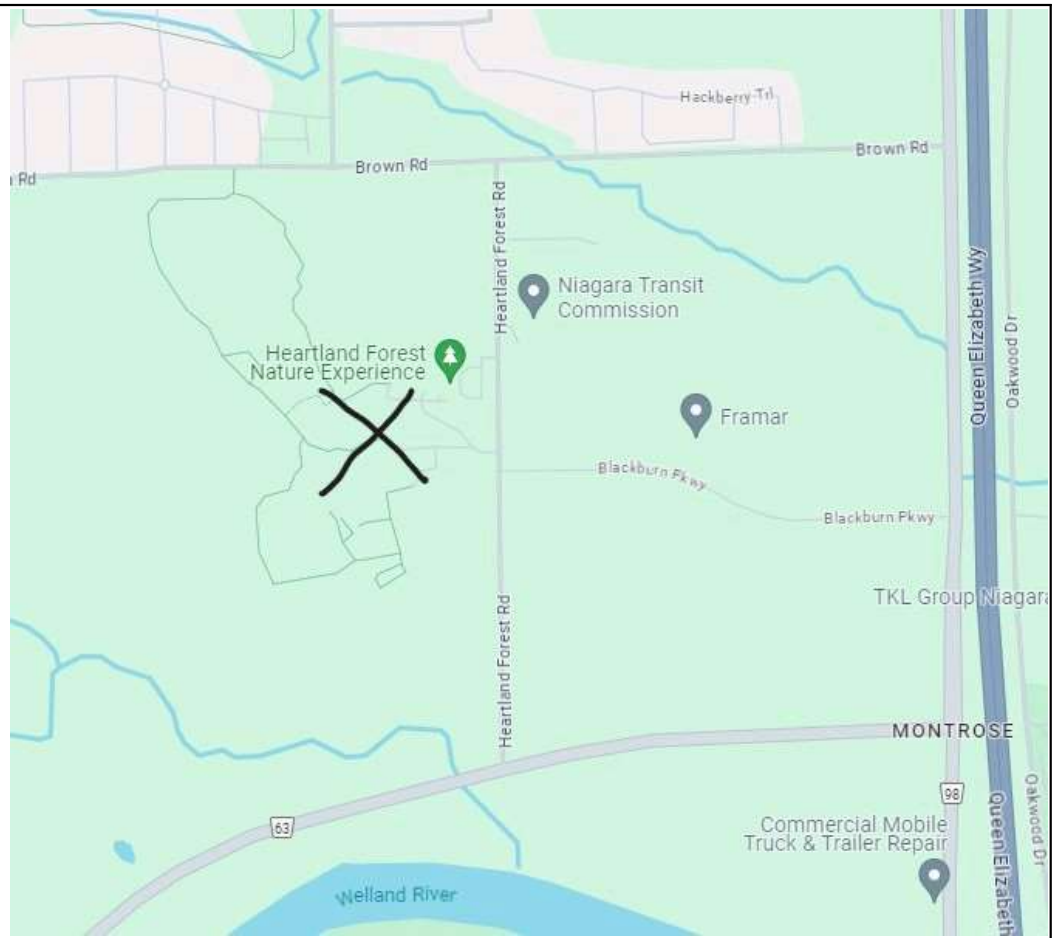

#2 Seburn Road Barn

A large old Barn on Seburn Road just west of Merrittville Hwy makes a great subject. Best seen from the corner of Seburn & Cataract Road. Please shoot from the road, no trespassing.

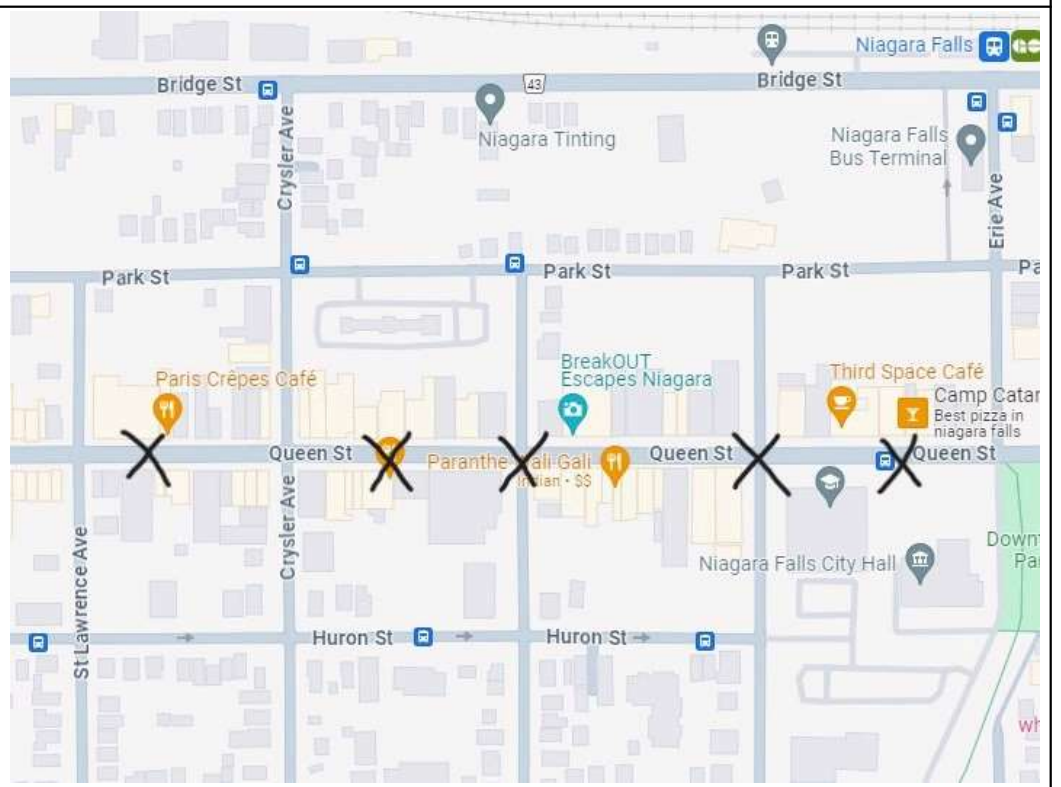

#3 Heartland Forest Trails

Heartland Forest is located on Heartland Forest Road off of Chippawa Creek Road in Niagara Falls. It has some beautiful trails to walk through the forest that are also fully accessible for all. Walking the trails is free. They are open from 9am - 4pm Monday to Sunday

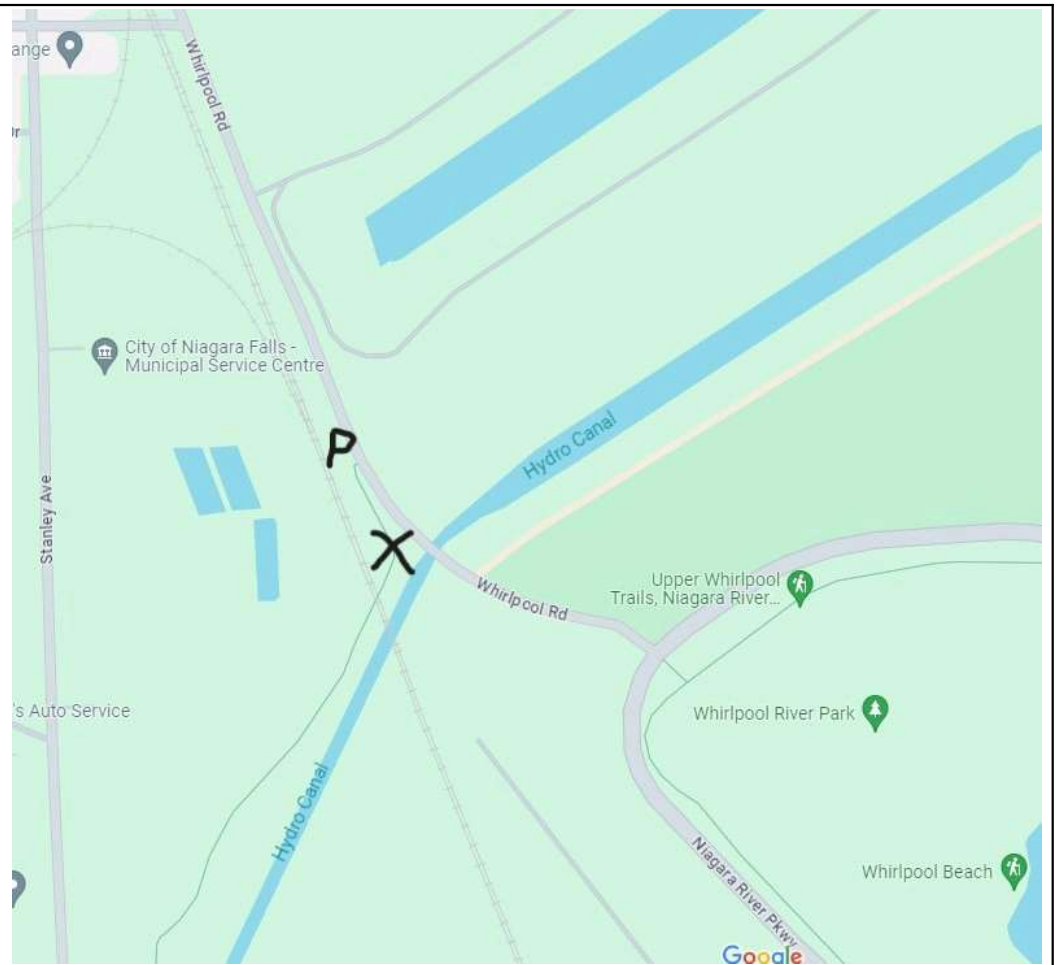

#4 Queen Street Downtown

Anywhere along Queen Street in Niagara Falls between St Lawrence Ave & Erie Ave. Old downtown feel, lots of different storefronts and always something to see.

#5 Hydro Canal Pedestrian Tunnel & Bridge

Located in Niagara Falls on Whirlpool Road just off of the Niagara River Parkway is access to a trail with a pedestrian tunnel & bridge. There is a small area to park where the P is on the map. The tunnel & bridge are marked with the X

#6 Lakeside Park

Lakeside park in Port Dalhousie will offer all kinds of photo opportunities
