

PINE CREEK PRESERVATION ASSOC.

PINE CREEK VALLEY P.O. Box 11 WATERVILLE, PA 17776

September 21, 2020

To the Members and Friends of the Pine Creek Preservation Assn.,

The officers of PCPA would like you to see our new line of wearables for 2020. These items are for sale to all supporters and others interested in displaying our logo. We dropped the word 'Member' from these new items so all could purchase and display our PCPA. These items are not to make money, as we are a nonprofit organization, but simply to promote our presence in this beautiful valley that we all adore. The costs of items includes shipping to me, and delivery to you, your cabin, or someone that you know in the valley that can take delivery- this has proven successful in prior orders the past few years. Any money that is available after sale and shipping will simply be donated back to the PCPA.

These items could make great Christmas gifts, so if that is your intent, please try to get your order into me as soon as you can. I'll hold out to say end of October to get all orders from you, then I'll put an order in time for Christmas. Also, these items can be ordered anytime through me all through the year.

Please be legible on the order form, making sure that I can clearly read your writing, and also check the amounts (e.g. S___ M___ L___ XL 2 2X___, etc) that you enter in the check boxes. The tee shirts run small, so don't be afraid to upsize your selection.

Again, for the love of our great organization and the love of the valley,

Jeff Campbell – Vice President

cc Lou Anne Gasperine, Ed.D.
Secretary, PCPA
