Unlock Your Potential with Our After School Archery Program!

Join us at **Catskill Outdoorsman Archery School** for an exciting, fun-filled after school program where students of all skill levels ages 6yrs and up can learn the art of archery in a safe, supportive, and structured environment. As part of the **USA Archery JOAD** or **S3DA** program, we focus on more than just shooting arrows—we build life skills like focus, patience, teamwork, and confidence.

What We Offer:

Expert Instruction: Our experienced instructors teach the fundamentals of archery and the mechanics of the bow, while helping students develop emotional control, focus, and self-discipline.

Homework Help: When students arrive, we start by reviewing homework and offering support to help them finish their assignments before archery class begins.

Life Skills: Beyond archery, we emphasize teamwork, responsibility, and community involvement through volunteer opportunities, including store fundraisers.

Positive Mindset: Students will learn techniques to manage nerves, redirect negative thoughts, and find inner calm while having fun on the range.

Program Details:

Day/Time: Fridays from 4:00 PM to 6:00 PM

Cost: \$30 per day per participant

Equipment: While personal equipment is required, we offer a range of affordable options for students. If financial assistance is needed, we are happy to work with families to ensure all students can participate. Please contact us for details on equipment and tuition support.

NASP Students: If your child is enrolled in the National Archery in the Schools Program (NASP), they can stay for the additional NASP training after class time.

Transportation:

Transportation for **Sullivan West Elementary** and **Middle/High School** students via school buses is available. Students will be dropped off at **Ted's on State Route 52**, where our staff will be waiting to escort them to the archery range.
