

# Prayers for Justice

Lord God,  
Give us, a vision of our country  
as your love can make it:  
a society where the weak are protected,  
and no one goes hungry or has to live in poverty;  
a community of peoples where the nobility  
of our civilised life is shared;

a family of men and women  
in which different races and cultures  
live side by side in mutual tolerance and respect;

a land where peace is built with justice,  
and justice is tempered with compassion.

May we have the courage and inspiration  
to build your Kingdom.

We ask this through Jesus Christ our Lord.

Amen.
