

Prayer for Peace in Our Communities

God our heavenly Father,

We pray for harmony among the many communities
that make up our society.

We commend to you all who work for peace
and an end to divisions,

And those who make and uphold our laws
and those who administer justice.

We pray for those who live in fear and tension:
comfort and support those
who suffer and are anxious.

May all your people go about their lives
in safety and peace.

We ask this through Christ our Lord.

Amen.
