

Prayer for Peace in Our World

Lord, you said,

“Peace I give you, my own peace I leave with you”;

May your ways be known upon earth,
and your saving power among all peoples.

Renew your Church in holiness
and help us serve you with joy and perseverance.

Guide the leaders of all the nations,
that justice may prevail throughout the world.

May the plight of victims
of discrimination be redressed,
and the hope of justice for the poor be realised.

Make us instruments of your peace.

We ask this through Christ our Lord.

Amen.
