WELCOME

Lemmon is proud to welcome you to the 84th Annual Lemmon Junior Livestock Show. As the show marks another year, it reflects the community's fine achievements and accomplishments. With the cooperation and joint efforts between the participating West River counties in South Dakota and North Dakota, this show has continued in success and become one of the West River's more prominent events for our area 4-H & FFA members.

The Lemmon Junior Livestock Show appreciates the continued efforts and enthusiasm that the community has extended toward this event. To succeed in putting this show together every year, it demands the combination of time and hours, financial support, new ideas and all those unnamed faces of volunteers.

Many of yesterday's past participants continue to support our show, as parents, leaders and professionals who are actively determined to keep the Lemmon Junior Livestock Show the largest and best ever in the area.

LEMMON JUNIOR LIVESTOCK SHOW
~ PROGRAM ~
Saturday, September 12, 2026

LEMMON JUNIOR LIVESTOCK SHOW RULES AND REGULATIONS

All entries must meet requirements of the 4-H and FFA programs. 4-H members showing livestock must be 8 years old by the beginning of the 4-H year (January 1, 2026).

All exhibits must be the property and project of the exhibitor.

Each exhibitor is limited to one exhibit per lot. Each exhibitor may sell only one market animal per species. Each animal may only be exhibited in one lot.

Pre-registration forms are due by August 10, 2026.

If an exhibitor is unable to show their animal the date of the Lemmon Junior Livestock Show, a written request must be submitted prior to show day to the Board of Directors, and received no later than September 1, 2026. The animal will be allowed to be judged in a pen and only eligible for a blue, red or white ribbon placing. The animal will be eligible to receive add-on premium money.

All cattle exhibits must be trained to tie and lead. Unmanageable livestock can be disqualified.

4-H livestock, of the same lot, must be shown at the County Achievement Days before showing in Lemmon.

All livestock exhibitors must wear boots or closed toed shoes.

All market livestock will be weighed as they **are** entered and such weight will be the selling weight at the sale that evening.

In order that each entrant be treated the same, no coaching will be permitted within the judging area. No one except exhibitor, judges and stock show personnel shall be in the judging area or auctioneer's stand during judging of livestock. Coaching and cueing by others after the animals enter the show ring will disqualified the exhibitor.

Hay, bedding, grain, feed boxes and water buckets will be furnished by the exhibitor. Water facilities will be furnished by the show.

All exhibitors must clean pen area prior to leaving.

All entries to be shown are to be in by 8:00 a.m. on show day and will be released at 5:00 p.m. All livestock entries must be removed by noon the following day. Lemmon Junior is not responsible for livestock.

Any premiums not collected by April 1, 2027 will be forfeited.

The decision of the judges will be final.

The show will not be responsible for any accident occurring to exhibitors or exhibits.

The Board of Directors reserves the right to amend any or all rules the day of the show and sale.

PLEASE CONTACT A BOARD MEMBER IF YOU NEED CLARIFICATION ON ANY OF THE RULES.

2026 LEMMON JUNIOR LIVESTOCK TROPHY SPONSORS

HOGS

Champion Breeding Gilt …… Olson's Carpet & Furniture
Champion Market Hog ……...Ron & Heather Nester

IMPORTANT NOTICE!!
HEALTH REQUIREMENTS

Due to animal health laws in both North and South Dakota, certain tests are required on some livestock before they can be shown at the Lemmon Junior Livestock Show. The tests that must be done are as follows:

CATTLE

All cattle must be free of warts and ringworm.

HOGS

Hogs do not need to be bled. No test required.

SHEEP

All sheep must have official **USDA premises or origin tags** in the ear regardless of age, sex, or breed.

Rams six months of age and older must be tested negative for Ram Epididimitis (Brucella Ovis) within 30 days or come from a current Brucella Ovis free flock. Bring test results to the Lemmon Junior Livestock Show.

GOAT

All goats must have official **USDA premises of origin tags** in the ear regardless of age, sex, or breed.

Market goats are to have horns blunted before arrival. Preferred to be dehorned.

Goats must be free of external parasites, ringworm, warts and abscesses. All animals entered at the exhibition shall be "Free from evidence of all contagious diseases such as ringworm, pinkeye, lump jaw, abscesses, and warts." If warts have been removed surgically the scars must be healed by the time of exhibition.

REMEMBER:

These tests are required by the State Livestock Sanitary Boards of both North and South Dakota - not the Lemmon Junior Livestock Show committee. If you have any questions, contact your local veterinarian .

If the above requirements are not met, animals will not be allowed to be shown!

PLEASE NOTE
AUCTION SALE PROCEDURE

The Lemmon Junior Livestock Show has traditionally marked the end of the show season, and with that participants have sold their market animals at the Lemmon Junior's auction sale.

Each participant will have the option of selling their market animal that evening or taking it home for their own marketing or personal use. Since most market animals are finished and ready to be sold by the time of the Lemmon show, the Board of Directors has made arrangements with Lemmon Livestock to also offer the livestock for sale. The 4-H or FFA member will receive a final bid price.

Participants that do not have a market animal in the show, will be eligible to receive add-on premium money for ONE breeding class animal.

Please feel free to contact any board member if you have any questions.

SPECIAL AWARDS

ADOLPH & IRMA HERMANN MEMORIAL AWARD

In 1990, the family of Adolph & Irma Hermann established a perpetual award in memory of their parents and their involvement in the Hereford industry. Each year a $50 award will be awarded to the exhibitor with the top breeding Hereford female shown at the annual Lemmon Junior Livestock Show. The beef judge will make the final decision from the Hereford entries in Lot 2 and Lot 3. The Board of Directors are in charge of administering the memorial fund.

Hermann Hereford Award Winner
In 2025, there were no Hereford entries in the breeding beef classes, so the award was not presented last year.

LIVESTOCK SHOWMANSHIP

Livestock showmanship is an opportunity for the exhibitor to show their animal to its best advantage. Good showmanship does not happen overnight; the exhibitors have to work with each of their animals individually. Each animal has its own strengths to show off and each species has their own rules about what to do in the show ring. Exhibitors need to be presentable and show patience with their animals as they are ambassadors for the industry. The Lemmon Jr Livestock Show has showmanship classes for Hogs, Sheep, Goats, and Beef and split those classes by age, so exhibitors have an opportunity to learn, improve, and perfect their showmanship skills as they grow. South Dakota 4-H age division is as of January 1st.

8-10 .....Beginners
11-13 ..... Juniors
14 & Up ..... Seniors

A Champion and Reserve Champion will be selected for each species, in each age division. The Champion for each division has the opportunity to show in the Round Robin contest. The Round Robin contest is where the Grand Champion from each division and each species compete against each other by showing all 4 species. This contest is held after the Beef show is completed. The winner in each division will be awarded the Overall Showmanship award. Members can only win the Overall Showmanship award once in each age division. If the Champion has already won the Overall Showmanship award the Reserve Champion will have the opportunity to participate in Round Robin.

Coaching and cueing by others after the animals enter the show ring will disqualify the exhibitor.

An exhibitor must show his or her entry to qualify for the showmanship award.

No hats or caps in the show ring.

All livestock exhibitors must wear an official Lemmon Jr Livestock Show shirt (which will be provided), jeans, and closed toe shoes. Shirts must be worn and tucked in throughout the entire day.

SPECIAL AWARDS

LEMMON JUNIOR LIVESTOCK BEGINNER BREEDING HERD ESTABLISHMENT/EXPANSION SCHOLARSHIP

This scholarship is designed to expand or establish a herd for beginner 4-H members that participate in the Lemmon Junior Livestock Show. Each applicant must be 8-10 years of age as of January 1, 2026. Applicants will be required to submit a 250-word essay on why they are wanting to start or expand their livestock herd.

Scholarship winner will be awarded a breeding animal of their preference. The offspring of that animal will be required to be shown at the Lemmon Junior Livestock show the following year.

Applications and essays are due by September 1, 2026.

Check the Lemmon Junior Livestock Show's Facebook page or contact a board member for more information.

SPECIAL AWARDS

LEMMON JUNIOR LIVESTOCK SCHOLARSHIP

The Lemmon Junior Livestock Show offers $2,000 in scholarships, which will be awarded to a deserving 4-H or FFA high school senior, at the time of the show. The Board of Directors is in charge of the scholarship.

This scholarship fund began with an annual award of $200 from the E.C. Gustafson Memorial Fund. In 1997, the Lemmon Junior Livestock Show was awarded funding from the Howe Hereford Family Memorial. From this account, an additional $200 has been added to the scholarship fund. In addition to these funds, the Lemmon Junior Livestock Show & Sale has added another $1,600.

Applications must be mailed by September 1, 2026 to the Lemmon Junior Livestock Show, PO Box 286, Lemmon, SD 57638 or emailed to lemmonjrlivestock@gmail.com.
