

WELCOME TO

Established in Buffalo on Broadway, the year was 1979 and G.D.I. Lounge was born. It remained a very popular east side eatery and libations emporium until 1991 when we relocated the business to Alden, New York.

The name was changed to G.D.I. Countryside Inn where we continue the tradition of excellence by serving Certified Angus Beef, Grade "A" Seafood and a wide selection of various American and Polish Cuisine... We hope you enjoy our offerings and tell your friends!

Comments are always welcome.

We also cater in house to small or large parties, funeral luncheons & meetings!
