

How to Authenticate This Official PDF Transcript

This official PDF transcript has been transmitted electronically to the recipient, and is intended solely for use by that recipient. It is not permissible to replicate this document or forward it to any person or organization other than the identified recipient. Release of this record or disclosure of its contents to any third party without written consent of the record owner is prohibited.

This official transcript has been digitally signed and therefore contains special characteristics. This document will reveal a digital certificate that has been applied to the transcript, and for optimal results, we recommend that this document is viewed with the latest version of Adobe® Acrobat or Adobe® Reader. This digital certificate will appear in a pop-up screen or status bar on the document, display a blue ribbon, and declare that the document was certified by Parchment, with a valid certificate issued by GlobalSign CA for Adobe®. This document certification can be validated by clicking on the Signature Properties of the document.

The Blue Ribbon Symbol: The blue ribbon is your assurance that the digital certificate is valid, the document is authentic, and the contents of the transcript have not been altered.

Invalid: If the transcript does not display a valid certification and signature message, reject this transcript immediately. An invalid digital certificate display means either the digital signature is not authentic, or the document has been altered. The digital signature can also be revoked by the transcript office if there is cause, and digital signatures can expire. A document with an invalid digital signature display should be rejected.

Author Unknown: Lastly, one other possible message, Author Unknown, can have two possible meanings: The certificate is a self-signed certificate or has been issued by an unknown or untrusted certificate authority and therefore has not been trusted, or the revocation check could not complete. If you receive this message make sure you are properly connected to the internet. If you have a connection and you still cannot validate the digital certificate on-line, reject this document.

The current version of Adobe® Reader is free of charge, and available for immediate download at <http://www.adobe.com>.

UNIVERSITY REGISTRAR

For detailed information about transcripts prior to Fall 1978, GPA, Course Numbering, Minimum Degree Requirements, and other transcript related topics, please visit www.american.edu/provost/registrar.

Official transcripts must carry the date of issue, the signature of the University Registrar, and the seal of the University.

Accreditation: American University is accredited by the Middle States Association of Colleges and Schools, Commission on Higher Education, 3624 Market Street, Philadelphia, PA 19104.

Course Value: American University uses the Carnegie Classification definition of a credit hour: at least 12.5 hours of direct faculty instruction per semester (in class, online, remote site) with at least 25 hours of student work outside of that direct instruction, typically conducted over a 15-week semester, or an equivalent amount of faculty instruction and work over a different time period.

Grade Point Average (GPA): There is no official percentile equivalent for grades at American University. The GPA listed at the end of each semester is for that semester only. The GPA includes A through F and FX grades and excludes courses affected by the Freshman Forgiveness Rule (see website). The graduate cumulative GPA includes only graduate-level courses. American University does not rank its students.

Grading System Effective Fall 2012:

W	Withdrawal (after the final date for adding a course)	0.00	no
ZX	Administrative Fail in Pass/Fail Course	0.00	no

Academic Fail: Academic fail indicates the student's continued enrollment in the course and that he or she did not satisfy the instructor's summative requirements for passing the course.

Administrative Fail: Administrative fail is assigned by the instructor in lieu of a grade of F when a student never attended or ceased attending the class, rendering an assessment of academic performance impossible.

Incomplete: Effective Fall 2017, an incomplete is assigned by the instructor in combination with a default grade to be awarded if specific requirements are not completed by the incomplete due date.

Transcript Notations:

Repeat Courses: A symbol of **R** follows the grade entry.

Comprehensive Examinations: SAT = Satisfactory; DIS = Distinction

General Education Codes: To the right of the course title (see website)

Other Codes: C = Community Based Learning; H = Honors
