Dear Sponsor:

The **Indian Women’s Association of Greater Lafayette**, a non-profit 501 (c) organization is celebrating its **29th anniversary** this year with great enthusiasm and will soon host its 11th annual fundraiser, **Celebration of India (COI)**, to support organizations dedicated to action towards women's causes. We have partnered previously with several organizations like the local YWCA, Center for Family Research, Lafayette Food Bank and Imagination Station to work towards uplifting and empowering marginalized women and children, a mission that is close to our organization's heart. We have donated over **\$100,000/=**. This year we are supporting local **Lafayette Adult resource Academy (LARA) and, Heifer international**, a global nonprofit working to eradicate poverty and hunger through sustainable, values-based holistic community development.

This year the event is named ‘**Celebration of India & Asian culture**’ and it has been designed to celebrate and showcase India’s and Asia’s diverse culture and traditions. The event features a traditionally rich and vibrant fusion of food and entertainment provided by local, regional, and international artists. **It will be held on, Sunday October 30th at Gathering Acres Event Center in Lafayette.**

To ensure the success of our venture, we are seeking sponsorship support from your business. Our organization is comprised of 175 families-roughly one third of all ethnic Indians in this area representing a significant and stable economic force from which your business can benefit. **Celebration of India** events have typically attracted over 500 visitors, providing our sponsors a cost-effective way to reach out to large local customer base.

As part of our comprehensive marketing plan for this flagship event, we will display sponsor logos at the venue on our visual display screen at the event and online media such as Facebook.
