2. SAFEGUARDING ADULTS' POLICY

2.1 LVC acknowledges that safeguarding is everybody's responsibility and is committed to prevent abuse and neglect through safeguarding the welfare of all involved. This Safeguarding Adults Policy and supporting documents have been designed to both inform and guide those within our sport on all aspects of safeguarding and should be adopted by all members of the volleyball community.

2.2 LVC believes that all participants, staff, and volunteers should feel safe while participating in volleyball. We are committed to creating and maintaining a positive environment where all concerns will be listened to, acted on appropriately and all participants treated with respect.

2.3 Actions taken by LVC will be consistent with the principles of adult safeguarding ensuring that any action taken is prompt, proportionate and that it includes and respects the voice of the adult concerned. Where necessary,

LVC will take disciplinary action against any members, connected participants and staff where breach of this policy, Disciplinary Policy or Codes of Conduct is alleged.

3. PURPOSE & SCOPE

3.1 The purpose of this policy is to demonstrate the commitment of LVC to safeguarding adults and to ensure that everyone involved in volleyball is aware of:

- The legislation, policy, and procedures for safeguarding adults.
- Their role and responsibility for safeguarding adults.
- What to do or who to speak to if they have a concern relating to the welfare or well-being of an adult within the organisation.

3.2 This safeguarding adult policy and associated procedures apply to all individuals involved in LVC including board members, staff, coaches, referees, players, volunteers, members and to all concerns about the safety of adults whilst taking part in our organisation, its activities and in the wider community.

3.3 Although there are many similarities with safeguarding adults and children there are also some distinct differences. For this reason, LVC has created a separate Safeguarding Adults Policy
