Impact Report

A message from our founder

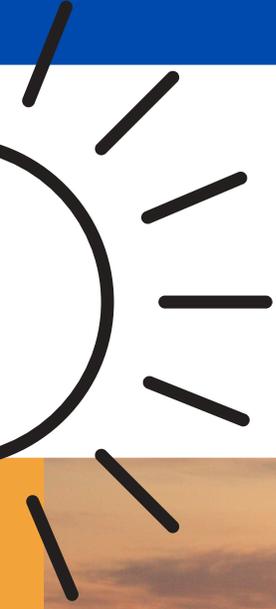

At Shine a RAY of Light on Parkinson's, we believe that advocacy, education, and connection are the most powerful tools in the fight against Parkinson's disease. Our mission is to raise awareness, fund innovative research, and support families affected by Parkinson's—one event, one conversation, one community at a time.

-Sarah Nilsson
SRLP Founder and President

A year with unique challenges

This year brought unique challenges and important growth for Shine a RAY of Light on Parkinson's. In sharing this report with our supporters, donors, and community, we focus on what matters most to those who make our work possible. We highlight how funds were used, the impact created through our events and outreach, the lessons we learned, and how these experiences are shaping our plans for the future as we continue supporting individuals and families affected by Parkinson's.

SHINE A RAY OF LIGHT ON PARKINSON'S

Shine a RAY of Light on Parkinson's is dedicated to raising awareness, funding research, and supporting individuals and families impacted by Parkinson's disease. Our goals are to educate the community, create meaningful events that bring people together, and generate financial support that advances research and improves quality of life for those living with Parkinson's. Through community driven fundraising, partnerships, and outreach, we aim to increase understanding of the disease while contributing to long term progress toward better treatments and ultimately a cure.
