Dear future sponsors :

This year I am proud to play a part in the fight against Parkinson's disease. As a board member for the non-profit Shine a RAY of Light on Parkinson's (SRLP), a part of the Murray City Chamber of Commerce, and Team Fox member I will be hosting the 5th annual Fox Trot 5k and SRLP Car show. Taking on the challenge of this fundraising endeavor is both exciting and inspiring. I am making a commitment to raise funds and awareness for Parkinson's disease (PD). I am dedicating my efforts because I believe that we are helping to ultimately shorten the road to a cure.

Over five million people worldwide are living with PD — a chronic degenerative neurological disorder whose symptoms typically progress from mild tremors to complete physical incapacitation. In the United States, 60,000 new cases of PD will be diagnosed this year alone. While the average age of onset is 60, an estimated five to 10 percent of people with PD experience onset at age 40 or younger.

There is no known cure for Parkinson's disease. Currently available treatments temporarily mask symptoms while the disease continues to progress. SRLP is dedicated to being a main factor in finding the cure to Parkinson's, driving funds for research, awareness, and support for those affected by this disease. Our mission is to play a pivotal role in advancing the search for a cure to Parkinson's disease. Through widespread awareness campaigns, and unwavering support for individuals impacted by this disease, we aim to foster a brighter future for those affected and contribute significantly to the global fight against Parkinson's. EDUCATE, ADVOCATE AND GAIN AWARENESS. I'm asking for your support in our race to put an end to PD

Our personal goal is to raise twenty thousand dollars. Please help us reach our goal by making a contribution now to our nonprofit. Donations are tax-deductible to the full extent allowed by law and can be made payable to Shine a RAY of Light on Parkinson's SRLP inc. Thank you in advance for your generous support as we strive together toward the finish line on the fast track to a cure.
