Payment - Cash, approved check or credit card (US funds only). 3% is added for all credit card purchases.

Health Inspections - Health papers with a Coggins test will be issued for all horses. Out of state and out of country buyers need to know their respective requirements and costs for transport.

Buyers are allowed to have a horse examined by a veterinarian at their expense, including having a pregnancy verified.

Veterinarian - Dave Evertson - Alpine Animal Hospital - 307-745-7341

Foals in the sale - We put a lot of effort getting foals ready to be weaned, making sure they are eating hay and grain and are used to being away from their moms. They are in good condition and it is our expectation unless otherwise agreed upon that you take the foal when the sale is over. If travel arrangements you have made with Chip, Dick or Randy involve your foal going back to their house, the foal will still be weaned. This is the policy unless otherwise stated.

Loading Out - Horses can be loaded out after the sale Saturday or on Sunday morning. Present your yellow slip to sale personnel. Special circumstances may be made only with Randy, Chip or Dick at the buyers expense and in writing.

Before You Buy - Ask about the worming/vaccination schedule and anything else you would like to know about each horse.

WHEN THE GAVEL FALLS, the horse belongs to the new owner. Any Extra Fees from that time forward for vaccination, vet, farrier, feed, transport, international shipping, if and when the horse is in Chip, Randy or Dick's care, will be the responsibility of new owner. Welcome back! We hope you have a great time in Laramie!
A lot of memories have been made here at Come To The Source...

*Many successful breeding programs have started out with horses from The Source.
We started out as one of the few places you could get horses with Blue Valentine bloodlines.
Our vision took a lot of hard work and planning.*

People tell us these horses are the best they have ridden. They write in with stories how their kids are learning to ride or competing on a horse they bought from us. Some come back every year, and others are finding out about these horses for the first time! We are amazed at the continued support, and thankful to be able to have a sale that brings in customers, old and new!

And many successful friendships have formed here as well. At the core is a shared love of good horses with good minds. We are fortunate to have met so many people over the years, and thankful to have a great place to meet. Welcome Back to Laramie!

GRATEFUL FOR THE CONTINUED SUPPORT...

My Drifty Pride

Our concentration of Driftwood blood started with the Stanley and Randy Johnston mares. These mares were a blend of Driftwood, Poco Speedy, Orphan Drift, Sak Em San (son of Peppy San), Doc's Jack Frost (sire of Sun Frost) and Captain Crusade. We bred these mares to our Blue Valentine stallions.

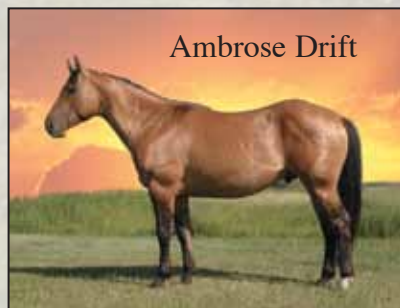

Valentine Drift

Another good cross was My Drifty Pride and daughters of Gooseberry. This proven program, through Valentine Drift, has given us genetic strength and diversity for the future.

Blue Valentine & Driftwood - Standing The Test of Time

My ancestors, the Baths, came to Laramie in the spring of 1868. The railroad followed in the fall, and the Territory of Wyoming was formed. The Baths built the first wood-framed building in Laramie in 1869 before moving to the Little Laramie Valley to start raising cattle and horses.

The Bath Brothers had a long and strong tradition of raising good using horses and reputation cattle. In the 1930's, they raised Remount Horses for the government. They began raising Quarter Horses in the late 30's, and became AQHA members in the early 40's.

My wife, Laurie, and I continue the 150+ year tradition of raising quality horses on the same ranch. We still use the family's original AQHA number (#7965) as our Lifetime AQHA number, and carry on the same principles that have been handed down for seven generations in the Bath family. Our horses are easy keepers with good minds, speed, bone, and tons of cow and athletic ability.

Our ranch is one of the oldest working ranches in Wyoming and our brand is one of the oldest recorded in the state. Our horses are raised in big, open pastures along side of the cattle. Our program includes grandsons and granddaughters of Blue Valentine. We have successfully crossed these with Driftwood to make exceptional multidiscipline performance horses. We are now complementing this classic cross and infusing more speed with SLR Frank James. We use the horses we raise and feel they offer the genetic strength to perform and compete in any discipline or arena. We are ranchers raisin' good horses!

Heath Stewart -

Frontier Rodeo manager, riding and selling Bath Bros horses.

Frontier Rodeo Company, one of the premiere rodeo companies in the world (based out of Winnie, TX, and Freedom, OK), provides world class bucking stock for rodeos from Florida to Oregon, and most states in between. They are one of the largest suppliers of stock at the National Finals Rodeo, and the primary stock contractor for RFD TV's "The American", the world's richest one-day rodeo competition.

Owner, Jerry Nelson, and his staff, take pride in continuing to raise award-winning livestock, as has been proven by Frontier Rodeo's winning of over 19 international and National Finals Rodeo awards since 2005, including 2015 through 2020 Stock Contractor of the Year and 2016 Remuda award.

Several years ago, Frontier Rodeo began laying over bucking stock (hundreds of head of horses and bulls), at Bath Bros Ranch, between summer rodeo events. During this venture, we have fostered a great relationship with Heath Stewart, Frontier's Geneticist and Rodeo Administrator. Being the man behind Frontier's slogan, "Breeding Ground for Champions," Heath has a remarkable eye for high quality horses and superb genetics.

In 2012, Heath began using Bath Bros mounts into his saddle horse string, where they continue to perform exceptionally for pick-up men and dignitaries alike. Our goal is for Heath, and the Frontier Crew, to continue developing and offering 6-8 excellent minded, well-travelled, and well-broke, Bath Bros horses for sale annually. Heath can be contacted at hstewart302@gmail.com or (580) 747-0233 for further information.

Rex Bugbee (pictured right) was one heck of an all-around cowboy! Being a veteran pickup man for Frontier Rodeo Company, Rex worked some of the PRCA's largest rodeos. Over the years, he started and rode many Bath Bros horses and was always a great pleasure to have on the ranch. He never met a stranger and never had anything bad to say about anyone. More than anything, he was our friend! Rex tragically lost his life from injuries sustained in an arena accident, in Guymon, OK, in August, 2020. He was doing what he lived for and loved – being a cowboy! Rex was respected and loved by all who knew him, as was evident by the more than 400 mounted cowboys and cowgirls who attended his Celebration of Life. Our hearts and prayers go out to his family, and the Frontier rodeo family, that he was a part of for so long. Rex, *How the hell are ya!* You're missed!

The Running

Stud turn out. Every year in the spring we turn these studs out into

large native pastures for the summer breeding season. It is quite a process to bring in all the mares and sort them, and their foals, into these groups. It is quite a sight to see over 100 mares at the home place. The studs always put on a good show gathering up their mares.

Carrying on the Bath Family Tradition

The Ward Family -

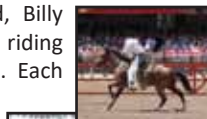

Riding and Selling Bath Bros Horses...

Billy Ward "pickin' up"

PRCA 7-Time NFR pick-up man, and friend, Billy Ward, and his family, have been exclusively riding and marketing Bath Bros geldings since 2007. Each year, the Ward Family takes over 20 head of Bath Bros horses to rodeos all across the United States, including Cheyenne Frontier Days. To date, they have taken, and ridden, well over 100 geldings from the ranch! By the time these horses are five, there is not much that they have not seen or done. Most of them have worked cattle on the ranch, drug calves to the fire for branding, spruced up several parades at Cheyenne Frontier Days, moved stock in the back alleys, and picked up cowboys at rodeos across the country. This exposure, coupled with the Bath Bros trainability and athleticism is what makes these geldings a proven choice for anyone looking for the perfect horse for any job. Billy "retired" as a PRCA pick-up man in 2015, but the Running M Tradition continues in the Ward Family, as his son, Dalton and wife Charla, continues the need for exceptional mounts in his pick-up man career and Charla's arena horses. Contact Billy at (307) 575-0695 or Dalton at (307) 575-2146, to talk about these great horses!

When they got to this country in 1867, they had horses...for over 150 years horses have grazed the same prairie and have been relied on to work and carry on the traditions. We feel blessed to be part of this tradition.

What we do would not be possible without the help and support of my family. I would like to shout out a huge, "thank you", to Laurie, my beautiful bride of over 35 years (who continues to keep us fed and in line), my daughter, Kelsey, and fiancé, Joe. Daughter Ashley and husband Tyler. We would also like to introduce another 8th generation on the the Bath Bros Ranch, Ryker James Thomas, son of Kelsey and Joe.

And then there is you... our Customers, Partners, and Friends. Thank you, for your continued support over the past 23 years. You are ultimately the reason we continue this great ride.

Denton Ward & Kacey Clark -

Double Arrow Quarter Horses and Training

Denton has ridden over 100 of our horses and has proven to be an accomplished trainer. This is the 12th year that Denton has started our horses. He has the knack, the hands and the seat to start young horses. Denton attended Laramie County Community College for two years and Oklahoma Panhandle State University for two years on rodeo scholarships riding saddle broncs. Kacey is an accomplished breakaway and team

roper. She college rodeoed on scholarship at New Mexico Junior College for two years and Eastern New Mexico University for two years. Both Denton and Kacey continue to amateur and professional rodeo. Denton also enjoys picking up broncs for the OPSU rodeo team practices. In 2017, they formed a partnership with Bath Bros to train and market horses through the sale and private treaty.

Anyone who has ever ridden a horse that Denton has started knows what a solid foundation he puts on these horses. Kacey continues their education for arena horses. Merritt Quarter Horses

Chip, Kathy, Brady & Corey

Vince Hayes in the late 1800s.

The Start of A Tradition...

It all began in 1880 when my great-grandfather, Vince Hayes, trailed a herd of good mares from Ft. Riley, Nevada to Thermopolis, Wyoming. His two sons, Buster and Laurie, continued the tradition of raising and riding top horses and sought ways to improve them. Around 1951, they purchased Texas Blue Bonnet, a son of Joe Hancock. They started crossing him on their own mares and in 1955 a Patron mare bred to him produced a foal named Plenty Coup, who went on to also produce many top colts.

Buster and Laurie Hayes

At about the same time my grandfather, King Merritt, brought one of the first Quarter Horse stallions, "Old Red Buck P-9" to Wyoming. As a respected horseman, King had judged the first Quarter Horse show in California. He and all his children were well known for their horsemanship skills. King and his son Hyde brought additional stallions to Wyoming, including Ambrose and Patron. Hyde inherited from his father the satisfaction of riding a good horse he knew he had raised.

In the fall of 1956, Ken Gunter gave Del Haverty the pick of the Red Man colts. Del picked a blue roan stallion named Blue Valentine. Del trained Blue to rope calves, tie-down team rope, and haze dogging steers.

Blue later was most famous as a steer roping horse but Del always felt he was a better calf horse than anything. Del sold half interest in Blue Valentine to Buster and Laurie Hayes.

Buster and Laurie stood Texas Blue Bonnet, Plenty Coup, and Blue Valentine. It was quite an experience to see these studs out with the excellent set of mares Buster and Laurie had accumulated. The tradition continued when my mother, Dede (Buster's daughter), married my father, Hyde. Hyde started breeding his Ambrose mares to Hayes' Plenty Coup, then took that cross and bred to Blue Valentine. This program produced the stallion Gooseberry, Crow Creek (Lory's top calf horse), and many good mares.

Hyde and Dede then bought the other half interest in Blue Valentine from Del. Hyde felt like it was a great privilege to rope steers on Blue. In 1970 Hyde roped at his last Cheyenne Frontier Days on Blue. Everet Shaw, who rode his share of great steer roping horses, told Hyde that Blue was the best horse at Cheyenne that year. Hyde and Del both felt that Blue started out of the box quicker and could catch cattle easier than any horse they had ridden. The combination of Blue's athletic ability and Del's training made him hard to beat.

The Tradition Lives On...

Gathering Blue Valentine Two and his mares.

We continue this tradition by raising horses with as much Texas Blue Bonnet, Plenty Coup, Ambrose and Blue Valentine as possible, hoping to preserve these bloodlines. Offering the best horses we can raise is what we work on all year round. People tell us that these horses have such good dispositions. No matter what different things we do with a horse, we all want to ride one that's gentle, versatile and athletic.

It's a big job to maintain a breeding program at this level.

We are happy to have the chance to work with our young partners, **Jason and Alyssa Hillman from Freedom, Oklahoma.** They are carrying on the tradition of outstanding Vista Grande Horses. This is their Blue Chic Magnet, is out of a full sister to Laramie Blues (National Foundation Champion), and by my stud Wyo Blue Valentine (a son of Chip's Wyo Blue Bonnet). We will be selling some of his colts at our online sale in September...

It's always rewarding when someone takes one of our horses and goes on to win. We appreciate and look forward to updates from previous buyers. We hope you enjoy the sale.

This big, blue horse has helped owner Danny Schicke win many team ropings.

A versatile L7 horse being used as a pick-up horse and as a jumper. Same horse!

It's been a great experience to see Nadi Bar achieve his goal of raising Hancock horses in the state of Israel. This roan stallion can compete in any arena anywhere, and he is by our good stud Wyo Blue Valentine.

Wylee Mitchell has won a total of 12 saddles, 85 buckles and \$65,000 in career earnings (although there's more, since this is from 2019). Lil Red Rudy won the Nevada State Breakaway title, qualified for the RFD TV American Semi Finals in 2018, and also qualified for the Junior Rodeo American Semi Finals. He placed 4th in the ALL IN Barrel Race in Las Vegas with 400 runners. Wylee has won or placed on Rudy in the team roping, breakaway, poles, barrels, and goats. We are very proud of her accomplishments while riding our horses.

Carrie Frisbee has been with Come To The Source since 2010 when she was working with Sam. Since then, she has gone on to start her own herd and has come full circle and is selling horses with us as Blue 9 Quarter Horses. She has gathered a group of mares with the intention of preserving the great Texas Blue Bonnet blood, crossing them with Blue Valentine and Driftwood blood. She is living her childhood dream of raising and selling quarter horses and is proud and humbled to be a part of such a legendary sale and becoming friends with each of the partners. This year she is offering 4 horses, with 3 of them being by her stud Dun Blue Bonnet, a son of Plenty Blue Bonnet.

Roy and Brandee Gillham live in northeast Colorado on the family ranch, where they love to raise their four sons. Life is never dull, and rarely quiet!

Cross I Quarter Horses began as a product of Roy's life-long love of horses. He gradually bought mares during college and rode them substantially while cowboying on a big ranch in Wyoming where they had to earn the right to become broodmares. We are so thankful to all the partners in the sale for allowing us to participate and learn from you. We are proud to be carrying influences from all of the programs in our breeding stock.

Developing using horses that are not only very capable, but also enjoyable to be around is the goal they strive for. The cross brand on the hip is a fitting brand for the family as they desire to glorify God in all aspects of life.

Thank you for attending the sale!

Razor is a great stallion with terrific speed. He's quick-footed and gets better every time we ride him. We have used him all spring and summer gathering and sorting cow/calf pairs. He is out of a phenomenal high percentage mare that has produced a lot of good foals through the years. He is 39.06% Blue Valentine, 25.00% RBM, 19.00% Red Man, 15.00% Gooseberry, 14.00% Joe Hancock, Plenty Coup and Rip Rip. This stallion has a lot of potential as a performance horse and as a breeding stallion. He has great manners and is very easy to ride and handle around mares.

Really well-shaped young blue filly that will be 30.66% Blue Valentine. Lots of Blue Valentine diversity back through her entire pedigree. We started Black Then Blue at one of our colt starting clinics years ago, and she was exceptional. This filly has been a character and should grow into a nice saddle horse and hopefully a broodmare for someone.

Roan Two Gooseberry is 50% Gooseberry. On the bottom side is My Drifty Pride and Ruano Rojo. At the time there was a match race between Barbra B and Fair Truckle, who was a Kentucky Derby winner. Barbra B beat him. They then bred her to a son of Fair Truckle and got Captain Crusade. He was a horse Randy and Stanley Johnston used extensively in their program. 6-panel tested by sale.

"Scar" is a solid gelding that we have put a lot of time on. He has ranched steadily since he was three, and done just about everything, roping calves and bigger cattle, dragging calves, sorting cattle, working younger colts. He can be watchful on the ground, but I've never had a problem in the saddle. I even carry my youngsters in the saddle with me on this one. Take him home, and put him to work!

Here is a flashy filly that is the product of the Blue Valentine/Driftwood breeding. Her dam is a granddaughter of Orphan Drift as well as a granddaughter of Blues Beard. There are not many horses out there like her.
