Welcome to Laramie we hope you have a great time!
A lot of memories have been made here at Come To The Source...

*Many successful breeding programs have started out with horses from The Source.
We started out as one of the few places you could get horses with Blue Valentine bloodlines.
Our vision took a lot of hard work and planning.*

People tell us these horses are the best they have ridden. They write in with stories how their kids are learning to ride or competing on a horse they bought from us. Some come back every year, and others are finding out about these horses for the first time! We are amazed at the continued support, and thankful to be able to have a sale that brings in customers, old and new!

And many successful friendships have formed here as well. At the core is a shared love of good horses with good minds. We are fortunate to have met so many people over the years, and thankful to have a great place to meet. Welcome to Laramie!

GRATEFUL FOR THE CONTINUED SUPPORT...

Another good cross was My Drifty Pride and daughters of Gooseberry. This proven program, through Valentine Drift, has given us genetic strength and diversity for the future.

Bath Brothers Ranch Randy & Laurie Dunn

My ancestors, the Baths, came to Laramie in the spring of 1868. The railroad followed in the fall, and the Territory of Wyoming was formed. The Baths built the first wood-framed building in Laramie in 1869 before moving to the Little Laramie Valley to start raising cattle and horses.

The Bath Brothers had a long and strong tradition of raising good using horses and reputation cattle. In the 1930's, they raised Remount Horses for the government. They began raising Quarter Horses in the late 30's, and became AQHA members in the early 40's.

My wife, Laurie, and I continue the 150+ year tradition of raising quality horses on the same ranch. We still use the family's original AQHA number (#7965) as our Lifetime AQHA number, and carry on the same principles that have been handed down for seven generations in the Bath family. Our horses are easy keepers with good minds, speed, bone, and tons of cow and athletic ability.

Our ranch is one of the oldest working ranches in Wyoming and our brand is one of the oldest recorded in the state. Our horses are raised in big, open pastures along side of the cattle. Our program includes grandsons and granddaughters of Blue Valentine. We have successfully crossed these with Driftwood to make exceptional multi-discipline performance horses. We are now complementing this classic cross and infusing more speed with SLR Frank James. We use the horses we raise and feel they offer the genetic strength to perform and compete in any discipline or arena. We are ranchers raisin' good horses!

We lost an irreplaceable piece of our family and Bath Brothers Ranch in May. Ashley Ann Dun was a daughter, sister, auntie, cousin but to me you were my older sister, my first best friend and my forever soulmate. You were only with us for 37 years but you lived a full life of adventure with a care free spirit. We just had celebrated your birthday and we were getting to the best time of year for us. We had warmer weather, the cows were finishing up calving and the mares were in the middle of foaling when you were taken from us. There isn't a sunrise or sunset or a place on the ranch that we don't see you or have memories of you. You grew up in these barns and on these horses. It's not fair you left this earth as tragically and as soon as you did. God must have needed a rancher's daughter. You've been reunited with all the best stock we've ever raised and the best people we've ever known and lost. We'll keep things running down here, until we meet our sweet Aunt Ashie again. We miss you. We love you. You're forever in our hearts.

Frontier Rodeo manager, riding and selling Bath Bros horses.

Frontier Rodeo Company, one of the premiere rodeo companies in the world (based out of Winnie, TX, and Freedom, OK), provides world class bucking stock for rodeos from Florida to Oregon, and most states in between. They are one of the largest suppliers of stock at the National Finals Rodeo, and the primary stock contractor for RFD TV's "The American", the world's richest one-day rodeo competition.

In 2012, Heath began using Bath Bros mounts into his saddle horse string, where they continue to perform exceptionally for pick-up men and dignitaries alike. Our goal is for Heath, and the Frontier Crew, to continue developing and offering 6-8 excellent minded, well-travelled, and well-broke, Bath Bros horses for sale annually. The Running

Stud turn out. Every year in the spring we turn these studs out into

large native pastures for the summer breeding season. It is quite a process to bring in all the mares and sort them, and their foals, into these groups. It is quite a sight to see over 100 mares at the home place. The studs always put on a good show gathering up their mares.

Denton has ridden over 100 of our horses and has proven to be an accomplished trainer. This is the 12th year that Denton has started our horses. He has the knack, the hands and the seat to start young horses. Denton attended Laramie County Community College for two years and Oklahoma Panhandle State University for two years on rodeo scholarships riding saddle broncs. Kacey is an accomplished breakaway and team roper. She college rodeoed on scholarship at New Mexico Junior College for two years and Eastern New Mexico University for two years. Both Denton and Kacey continue to amateur and professional rodeo. Denton also enjoys picking up broncs for the OPSU rodeo team practices. In 2017, they formed a partnership with Bath Bros to train and market horses through the sale and private treaty. Anyone who has ever ridden a horse that Denton has started knows what a solid foundation he puts on these horses. Kacey continues their education for arena horses. This year Kacey also accepted the OPSU equestrian team coach position. Merritt Quarter Horses

Chip, Kathy, Brady & Corey

Vince Hayes in the late 1800s.

The Start of A Tradition...

It all began in 1880 when my great-grandfather, Vince Hayes, trailed a herd of good mares from Ft. Riley, Nevada to Thermopolis, Wyoming. His two sons, Buster and Laurie, continued the tradition of raising and riding top horses and sought ways to improve them. Around 1951, they purchased Texas Blue Bonnet, a son of Joe Hancock. They started crossing him on their own mares and in 1955 a Patron mare bred to him produced a foal named Plenty Coup, who went on to also produce many top colts.

Buster and Laurie Hayes

At about the same time my grandfather, King Merritt, brought one of the first Quarter Horse stallions, "Old Red Buck P-9" to Wyoming. As a respected horseman, King had judged the first Quarter Horse show in California. He and all his children were well known for their horsemanship skills. King and his son Hyde brought additional stallions to Wyoming, including Ambrose and Patron. Hyde inherited from his father the satisfaction of riding a good horse he knew he had raised.

In the fall of 1956, Ken Gunter gave Del Haverty the pick of the Red Man colts. Del picked a blue roan stallion named Blue Valentine. Del trained Blue to rope calves, tie-down team rope, and haze dogging

steers. Blue later was most famous as a steer roping horse but Del always felt he was a better calf horse than anything. Del sold half interest in Blue Valentine to Buster and Laurie Hayes.

Buster and Laurie stood Texas Blue Bonnet, Plenty Coup, and Blue Valentine. It was quite an experience to see these studs out with the excellent set of mares Buster and Laurie had accumulated. The tradition continued when my mother, Dede (Buster's daughter), married my father, Hyde. Hyde started breeding his Ambrose mares to Hayes' Plenty Coup, then took that cross and bred to Blue Valentine. This program produced the stallion Gooseberry, Crow Creek (Lory's top calf horse), and many good mares.

Buster Hayes with three sons of Texas Blue Bonnet.

Hyde and Dede then bought the other half interest in Blue Valentine from Del. Hyde felt like it was a great privilege to rope steers on Blue. In 1970 Hyde roped at his last Cheyenne Frontier Days on Blue. Everet Shaw, who rode his share of great steer roping horses, told Hyde that Blue was the best horse at Cheyenne that year. Hyde and Del both felt that Blue started out of the box quicker and could catch cattle easier than any horse they had ridden. The combination of Blue's athletic ability and Del's training made him hard to beat.

The Tradition Lives On...

We continue this tradition by raising horses with as much Texas Blue Bonnet, Plenty Coup, Ambrose and Blue Valentine as possible, hoping to preserve these bloodlines. Offering the best horses we can raise is what we work on all year round. People tell us that these horses have such good dispositions. No matter what different things we do with a horse, we all want to ride one that's gentle, versatile and athletic.

A versatile L7 horse being used as a pick-up horse and as a jumper. Same horse!

It's been a great experience to see Nadi Bar achieve his goal of raising Hancock horses in the state of Israel. This roan stallion can compete in any arena anywhere, and he is by our good stud Wyo Blue Valentine.

Wylee Mitchell has won a total of 12 saddles, 85 buckles and \$65,000 in career earnings (although there's more, since this is from 2019). Lil Red Rudy won the Nevada State Breakaway title, qualified for the RFD TV American Semi Finals in 2018, and also qualified for the Junior Rodeo American Semi Finals. This is the best filly this mare has produced to date for me. She is correct in every way and has that flashy brown roan coloring as a bonus. River's pedigree is loaded with greats such as Ruano Rojo, Blue Apache Hancock and Blue Man Gist; ride her, use her for ranch work and then add her to the broodmare band.

Randy and Chip - Always having a good time.

In Loving memory of Ashley Dunn

Ashley Ann Dunn, age 37, of Laramie, Wyoming passed away May 10, 2022.

Ashley was born in Laramie on April 10th, 1985, to Randy and Laurie Dunn. She

was the 7th generation of a long line of hardworking ranchers that homesteaded in the Little Laramie Valley in 1868. She was the middle child of three sisters and grew up on the family ranch west of Laramie. Ashley was a true country girl and enjoyed riding horses, working cattle, and shooting prairie dogs. At 8 years old, she started showing steers and horses and couldn't wait for her RyRy to start showing. She graduated from Laramie High School in 2003.

She loved going up to the mountains and especially going skiing with her uncles and cousins. She loved taking drives on every dirt road in Albany County and

listening to music. She had a deep bond and love for the ranch. She could be found every morning feeding cows with Lee, tagging newborn calves, and keeping records. She was the queen of the side rake during haying season. Ashley loved her Weimaraner's, including her beloved Jake and after Jake's passing her best pal Bingham. She had a penchant for photography and did a great job documenting the ranch and her life in pictures via social media platforms. Everyone

enjoyed her sharing pho-

tos of newborn calves dusted with snow, the sunsets over the Snowy Range and

her crazy Tik-Tok posts that went viral many times. She kept others "in the know" as to the goings-on at the

ranch, to the point where her dad could no longer get stuck in the mud or a ditch with any anonymity. One of the many things she was proud of was the title of "Aunt Ashie" and did her best to spoil her niece Kylee (Ky) and her nephews Beau (BoBo) and Ryker (RyRy), as well as being an Auntie to many of her friends' kids.

All of us at Come to The Source will remember Ashley for her exuberance and passion. She loved this Horse Sale. From showcasing the preview on facebook live, to helping with the invoices at the end of the sale, she constantly promoted Come To The Source. She would want us to carry on the tradition

with that same passion. Saying "We will miss her" doesn't even start to express how we feel. Until we meet again.
