INVITATION

All swimmers duly registered for the year 2025 with the Aquatics Sports Association of Trinidad & Tobago as nationals or resident foreigners are invited to take part in the **National Open Short Course Championships 2025** scheduled to take place from the **13th– 16th November 2025** at the **National Aquatic Centre – Balmain, Couva**. OMEGA QUANTUM TIMING SYSTEM will be in effect with a 10-lane pool to be used for competition and a separate 10 lane pool to be used for warm up/warm down

The **Open Events** are restricted to all swimmers who are 11 years and over. The swimmer's age is determined by the age of the swimmer on December 31, 2024.

Two (2) other categories are included in the program of events:

- 10& Under (age on **December 31, 2024**); and
- Masters (25 years & over, age on **December 31, 2024**).

ENTRY FEE

- i) In the 10 & Under and Open categories, the entry fee is fifteen dollars (\$15.00) per event per swimmer, and one hundred dollars (\$100.00) per club. **There is no charge for relay entries. However, clubs are asked to indicate their intention to participate in relays so that they may be added to the programme.**

A fee statement will be provided to all teams by Tuesday 04th November 2025. **The entry fee must be submitted by Thursday 13th November 2025** with the fee statement. Please note that swimmers will not be allowed to swim without the required payment. The ASATT will issue receipts for all payments. **Entries must be submitted using the hy-tek software.**

- ii) In the Masters' category the entry fee is fifteen dollars (\$15.00) per event per swimmer. All Masters must be registered with ASATT and they must complete and sign their individual entry forms.

SCORING SYSTEM

There are no limits as to the number of events in which an individual competitor may participate, except that not more than nine (9) events will count for points toward overall trophies.

Points will be awarded to swimmers in each event as follows:

1st Place	- 9 Points	2nd Place	- 7 Points
3rd Place	- 6 Points	4th Place	- 5 Points
5th Place	- 4 Points	6th Place	- 3 Points
7th Place	- 2 Points	8th Place	- 1 Point

Nine (9) bonus points will be awarded for breaking **National Open Records**. Only the fastest swimmer breaking the National Open Record in either prelims or finals of the

respective event will be awarded the bonus points. A swimmer who breaks an Open record but does not win the race will still have the record ratified.

Any National Age-group Record broken will be acknowledged, however no bonus points would be awarded. Relays will be scored double that of the points earned for the same individual placing: e.g. 1st place – 18 points, 2nd place 14 points etc.

AWARDS

Medals will be awarded for first, second and third places (gold, silver and bronze respectively) in all events.

National OPEN Championships trophies will be awarded to the overall first, second and third placed swimmers, for male and female competitors in the Open Category.

National 10 & Under Championships trophies will be awarded to the overall first, second and third placed swimmers, for male and female competitors in the 10 & Under Category.

National Masters Championships trophies will be awarded to the overall first, second and third placed swimmers, for male and female competitors in the Masters category. Please note that a Masters swimmer must compete in at least five events to qualify for this award. Other prizes may be given for top performances.

There will be a team award based on the points scored in the open category. This will be a challenge trophy that will be held by the winning club until the next National Open Short Course Championships the following year.

SCRATCHES

Scratches will be allowed without penalty, except that the entry fee will be forfeited, up to one half hour before the start of the next session. Scratches during a session will be allowed on the grounds of health. Swimmers, who fail to scratch on time, or fail to swim, will face a fine of twenty-five dollars (TT\$25.00) per event, such fine to be paid before the swimmer is allowed to take part in any subsequent event or ASATT sanctioned competition. Alternates are expected to stand by in the event that scratches are made. Alternates, who indicate they are available to swim in the event of a scratch, and then are not present when called for a race, will be subject to the same penalties.
