STATE SURVEY

CANDIDATES WERE ASKED IF THEY SUPPORT OR OPPOSE:

1. Are you against legislation that would legalize assisted suicide (2025 - SB 1950 house amendment #2 or HB 1328)?
 2. Are you against legislation that would allow minors to make medical decisions without their parents' knowledge or consent? (HB 370-2021)
 3. Are you against legislation registering homeschooling families? (2025 - HB 2827)
 4. Are you against legislation requiring that public schools and public building restrooms designated as male-only install menstrual hygiene products in them? (HB 156-2021 / HB 2783-2025)
 5. Are you against legislation that would pay for abortions under Family Planning Services for women who are in this country illegally? (2025 - HB 3279 / SB 1846)
 6. Are you against legislation that would infringe on the free speech of pro-life women's resource centers and pro-life sidewalk counselors to talk to women about abortion harms? (SB 1909-2023)
 7. Are you against legislation that amends the Illinois Human Rights Act to make it a violation of the Act for an employer to "discriminate" against a person making a "reproductive health decision" affecting the use or intended use of health care, goods, or services related to reproductive processes, functions and systems, including family planning, pregnancy testing, contraception, fertility or sterilization care, or termination of pregnancy? NOTE: This would force pro-life non-profits to hire pro-abortion persons, which would be against their "right of association?" (HB 4867-2024)
 8. Are you against legislation that would decriminalize or legalize prostitution? (HB 3518, HB 3626, and SB 2391-2025)
 9. Are you against legislation mandating vaccines for children whose parents want a religious exemption to this? (SB 3668-2020)
