ON WHEELS

A Meals on Wheels Service for the Elderly and Infirm locally

Are you worried about your elderly relatives not eating properly every day? Our new service is now active and available for ordering to locations that are within 30 minutes maximum travel time from our café in Wool (BH20 6HE) for £10.00 per meal including optional soup and bread roll as a starter, and a dessert.

We provide a menu that is based on our clients' likes and dislikes which might include pasta, meat, fish, vegetarian or vegan with gluten free options Monday to Saturday. Each meal consists of freshly-cooked vegetables prepared as the relative desires.

Our homemade soup of the day is vegan based.

Desserts consist of pastry, cake or fruit which is served with cream, custard or high-protein yoghurt. (Please inform us of any special dietary requirements including diabetes.)

Our hot soup and desserts are provided in biodegradable containers. The main course is transported on a china plate which we ask to be rinsed after use for collection on the next visit.

On Sunday we provide roast meat fish or vegan options including baby yorkshire pudding, stuffing, peas, carrots, roast potatoes and parsnips, with a choice of cauliflower cheese, red cabbage or swede and gravy appropriate to the meal chosen.

We ensure that all food arrives at the correct temperature according to environmental health guidelines

Our staff ensure that they use regular language, on arrival, which we understand is important for those clients with learning difficulties or special needs such as dementia. Our delivery drivers wear similar clothing daily so as to ensure that customers know that we are not carers but there to provide their meals.

On every visit we ensure our customers are sat down at their place of eating with their hot meal in front of them. If our clients are capable of using a microwave, they may like to have their soup for either in the evening or for lunch the next day.

We offer a friendly caring and respectful service from our café in Wool, Dorset, providing deliveries to Bovington, Creech, Dorchester, Durdle Door, East Stoke, Lulworth, Swanage, Wareham, Weymouth and
