Sanctity of Human Life Sunday

Our annual observance of Sanctity of Human Life Sunday is coming just when we need it most. Life is an amazing gift from God. Life deserves to be protected and celebrated.

We encourage all Michigan churches and faith communities to organize an event to educate others on the sanctity of life. Church bulletin articles, pamphlets, and educational resources are available. Contact us at info@nwmacomb4life.org if you'd like a pro-life speaker, or would like to borrow our fetal model display.

Thursday, August 22 - How to Teach the Toughest Topic

Location: The Woods Church, 14300 13 Mile Rd, Warren, MI , 11 AM to 1 PM

This presentation is geared towards pastors, youth leaders, and teachers.

The Dobbs decision overturning Roe v. Wade has only intensified the battle over abortion in our nation. Your church members are not immune to the persuasive rhetoric of the abortion industry. Research shows that over 40% of all women who've had an abortion were in church at the time, nearly no one knows about the abortion, and nearly half say that when the pastor preaches about forgiveness from the pulpit, it doesn't apply to them. They are not alone – many men who have participated in abortion are equally affected.

How can pastors and teachers break through the cultural fog in order to protect our people and influence our culture. "How to Teach the Toughest Topic" – a short, 90-minute seminar – will inspire and equip you to preach effectively on abortion.

The event is free. Advance registration required. Sponsored by Compassion Pregnancy Center and The Woods Church.

You are welcome to bring water bottles and coffee cups with lids as we’ll be meeting in a fellowship/teaching room with tables.

The event is free. Advance registration required. Sponsored by Compassion Pregnancy Center.
