Sanctity of Human Life Sunday

Our annual observance of Sanctity of Human Life Sunday is coming just when we need it most. Life is an amazing gift from God. Life deserves to be protected and celebrated.

We encourage all Michigan churches and faith communities to organize an event to educate others on the sanctity of life. Church bulletin articles, pamphlets, and educational resources are available. Contact us at info@nwmacomb4life.org if you'd like a pro-life speaker, or would like to borrow our fetal model display.
