

2025 Local Macomb County Pro-Life Events

January 19, 2025 - Sanctity of Human Life Sunday

The annual observance of Sanctity of Human Life Sunday is coming just when we need it most. Life is an amazing gift from God. Life deserves to be protected and celebrated.

We encourage all churches and faith communities to organize an event to educate others on the sanctity of life. Church bulletin articles, pamphlets, and educational resources are available. Contact us at info@nwmacomb4life.org if you'd like a pro-life speaker, need pamphlets, or would like to borrow our fetal model display

How to Observe National Sanctity of Human Life Day

1. **Spread the word.** Educate your friends on the value of life and how important it is to protect a life that cannot even defend itself against abortion. Show them alternatives to abortion and where they can go for help.
2. **Help others.** Reach out to foster and group homes in your area and bring them a meal once every few weeks. Volunteering to spend time with the children will also help the often frazzled parents.
3. **Support women who are pregnant.** Many women choose abortion because they cannot care for the child. Support those mothers financially and assure them that it will be okay. In this way, you become part of the solution.
