2026 Annual Benefit Dinner

Life. The
Other
Choice.

September 15, 2026
Mirage Banquet Center

Right to Life of Michigan Mission Statement

Right to Life of Michigan is a nonpartisan, nonsectarian, nonprofit organization of diverse and caring people united to protect the precious gift of human life from fertilization to natural death.

We strive to achieve the passage and ratification of a Human Life Amendment, to educate people on identified Right to Life issues, to motivate them to action, to encourage community support for and participation in programs and promotion of legislation that fosters respect and protection for human life and to promote and support prolife candidates.

We work on behalf of defenseless or vulnerable human beings, born and unborn, within our identified issues of abortion, infanticide, euthanasia, and assisted suicide.

Prayer for the Helpless Unborn

Lord Jesus,

You are the source and lover of life. Reawaken in us respect for every human life. Help us to see in each child the marvelous work of our Creator. Open our hearts to welcome every child as a unique and wonderful gift. Guide the work of doctors, nurses and midwives. May the life of a mother and her baby in the womb be equally cherished and respected. Help those who make our laws to uphold the uniqueness and sacredness of every human life, from the first moment of conception to natural death. Give us wisdom and generosity to build a society that cares for all. Help us to choose life in every decision we take. We ask this in the joyful hope of eternal life with you, in communion with our Father in heaven. Amen.

Life. The Other Choice.

The decision to continue or end a pregnancy has never been a choice of political parties or action groups. It is and has always been a choice of the woman. Choices characterize who we are and what we will become. They are rooted in hopes and worries, and even force us to face our fears and stand against greater odds.
