

CES London

JUNIOR SUMMER PROGRAMME 2025

INTRODUCING CES LONDON/KINGSTON

Located in the picturesque riverside town of Kingston Upon Thames, CES London/Kingston is the perfect base both for exploring history and culture whilst learning English with our team of experienced summer staff.

This is a programme for junior students (ages 12- 17). Lessons are Monday to Friday, and help students with their day-to-day use of the English language, while also touching on areas of British life such as its history, culture and food.

There is a social programme included as part of this course which offers daily tours, cultural experiences and activities. In addition, a full day tour on Saturday makes this an unmissable opportunity!

The junior residential programme at CES Kingston has been specifically designed to meet the needs and requirements of international groups.

Our varied and immersive education and social programmes help bring the English language to life, and our residential campus provides peace of mind in warm and comfortable surroundings.
