With a world-renowned university, a large student population and a limitless range of cafes, restaurants and nightspots, Leeds is a city that can cater for all tastes. The North of England is famous for its hospitality and you are sure to experience the warmest welcome in Leeds!

Although one of the UK's smallest and safest cities, Leeds still boasts the attractions and amenities you can expect in a large city.

The School

The Campus

Swarthmore Education Centre is a large education establishment located about 10 minutes on foot from our main school at Park Place, in easy walking distance from the town centre and bus stops. As the sole user of the facilities in July, we restrict access to ensure a safe environment for our students. The school has 10 modern classrooms, a coffee shop, a sprung-floor dance hall where we have our discos and assemblies and a private patio terrace.
