

CES Oxford

Junior Summer Centre - Profile 2025

Oxford, the Heart of England

Traditional, authentic, historical

Based in Ruskin College, in the quaint area of Old Headington, CES Oxford is the perfect base for both for exploring history and culture whilst learning English with our team of experienced summer staff.

This is a programme for junior students (ages 12– 17). Lessons are Monday to Friday, and help students with their day-to-day use of the English language. while also touching on areas of English life such as its history, culture and food.

There is a social programme included as part of this course which offers daily tours, cultural experiences and activities. In addition, a full-day tour on Saturday makes this an unmissable opportunity!

We have both residential accommodation nearby and homestay accommodation.

See our video for more information:
