2. GENERAL PROVISIONS

- a) The Township of Gillies Waste Disposal Site situated at the northeast corner of Lot 9 Concession 3, the Provisional Certificate of Approval for a Waste Disposal Site Certificate approval #A590501, shall be the only location where refuse may be disposed of in the Township of Gillies.
- b) The Gillies Waste Disposal Site shall be operated in compliance with the Ministry of the Environment Provisional Certificate of Approval for a Waste Disposal Site Certificate of Approval No. A590501 attached to this by-law as Schedule A.
- c) The Gillies Waste Disposal Site shall be open to the residents of the Township of Gillies only during the hours of operation which shall be stated from time to time by resolution of Council.
- d) The use of Gillies Township Waste Disposal Site shall be monitored by Waste Site Attendants. Volumes of materials will be recorded and summarized for Municipal Performance Measures and other provincial programs.
- e) That residents are permitted to remove materials or items from the Scrap Metal bin and “Good Neighbour” areas, if the items are to be used solely for personal use. Removal of a truck and/or trailer load of scrap metal, or the removal of items from within the pit, is not permitted.
- f) That any resident, employee of the Township, contractor or otherwise, who removes any material or item from the Waste Disposal Site, known or

unbeknownst to the Township, shall be doing so at their own risk;

- g) The Township of Gillies shall not be held liable for any injury to individuals or damage to property resulting from the removal of the material or item.

3. VALIDATION TAGS

- a) One landfill validation number is available for each property.
- b) Validation tags must be obtained at the Township of Gillies Municipal Office during regular business hours. Administration will provide two landfill validation tags free of charge. A fee as authorized in the fee schedule set out in the Municipality's Miscellaneous Fees by-law shall apply for each subsequent and/or replacement validation tag.
- c) All residents may have the mandatory numbered validation tag affixed to the driver's side of the windshield of the vehicle used to transport the refuse into the Gillies Waste Disposal Site.
- d) Residents of the Municipality of the Township of Gillies may obtain a temporary validation tag for a fee as authorized in the fee schedule set out in the Municipality's Miscellaneous Fees By-law, which will allow a non-resident vehicle access to the Waste Disposal Site on a designated day provided the resident to whom the temporary permit is issued, is riding in that vehicle and the waste being transported belongs to that resident.

4. BAG TAG REGULATIONS

- a) A set number of bag tags will be issued to each household free of charge. A fee shall apply for each subsequent bag tag as authorized in the fee schedule set out in By-Law 569.
- b) Bag Tags will be distributed in accordance to the *Bag Tag Policy*.
- c) A landfill validation number must be written on each bag tag.
- d) Garbage bags must not exceed 75 litres in size.
- e) Bag tags must be unaltered in any way and affixed to the bag before disposal.
- f) Subsequent bag tags must be obtained at the Township of Gillies Municipal Office during regular business hours.
- g) Bag tags have no redeemable value.

5 PERMISSIBLE WASTE

- a) Only waste originating from and/or created by residents of the Township of Gillies is permitted.
- b) Recycling of all recyclable materials is mandatory. All recyclable materials as defined above shall be placed in the designated areas, or as so directed by the Waste Site Attendant.
- c) All permissible waste as defined above shall be deposited in the open trench except for recyclable materials, burnable materials, household batteries, automotive batteries, mercury containing items, electronics, electrical appliances and scrap metal which shall be placed in designated areas.
- d) Furniture, including mattresses and vehicle seats shall be permitted, if broken up to the greatest extent possible of its component pieces and the resulting pieces placed in the designated areas according to each piece's composition.
- e) Residents are only allowed one truckload or one trailer load of waste per day provided that each garbage bag has a bag tag affixed.

6. NON-PERMISSIBLE WASTE

- a) No resident shall dispose of waste at the Waste Disposal Site on behalf of a person who is a non-resident, or dispose of waste that originated from and/or was created from the household or business of a non-resident.
- b) No person shall dispose of non-permissible waste at the Waste Disposal Site.
- c) Non-permissible waste includes hazardous waste, hauled sewage, sewage, animal or fowl carcasses, automobiles, industrial waste, agricultural waste, medical waste, demolition waste, used fuel tanks, used paint or paint cans, motor oil and recyclable materials.
- d) Non-permissible waste includes refrigeration and freezer units unless the units are tagged by a certified refrigeration specialist indicating that the Freon has been removed.

7. ENFORCEMENT

- a) All residents must obey the signage and the instructions of the Waste Disposal Site Attendant.
- b) Council of the Township of Gillies may from time to time employ Waste Site Attendant(s) who shall report to Council any contravention of this By-law.

- c) Every person who contravenes any provision of this by-law shall be guilty of an offence and upon conviction, is liable to the penalties provided for under the *Provincial Offences Act*, R.S.O.1990 c. P. 33.

8. REPEALED

By-law 563 is hereby repealed.

This by-law shall come into force and effect as the date of this date of its adoption.

Hereby passed and enacted on this 28th day of November 2016.
