Applicants and Property Owners must understand that the construction of an entrance and/or the installation of a culvert must be undertaken in accordance with By-Law 2017-28 and with directions from the RMC. Any entrance and/or culvert that is constructed or installed without a valid entrance permit or contrary to the directions of the RMC is subject to removal by the Township at the sole expense of the Property Owner(s) of the property that is directly accessed by the entrance.

This application may be signed by the Applicant(s) and, where the Owner(s) are different from the Applicant(s), be the Owner(s) also.

This Application has been approved with the additional conditions (if any) listed below:

Dated: _____ RMC Signature: _____

The undersigned, Applicant(s) for an entrance permit from the Township of Gillies, have read and understood the condition set out in this application.
